### COUNCILLOR COMMENT

Obi Obi Road provides a vital link to and from the Mary Valley area. The Department of Transport and Main Roads is proposing to replace the bridge in this section of unsealed road. The Department is proposing to divert traffic onto the Council controlled George Wyer Scenic Drive. The closure of this section of Obi Obi Down will cause inconvenience to local residents and regular users of the road. However, it will also present an opportunity to

undertake upgrading works to this unsealed section of road without any additional inconvenience.
