

Mooloolaba Foreshore Revitalisation

October update

1 October 2026

The Mooloolaba Foreshore has been buzzing with activity. The first section of the terraced seawall has quickly become a favourite gathering place for locals and visitors, and just in time for last month's official reopening of the Nippers and volunteer surf lifesaving season (18 September) at Mooloolaba Beach.

Beach access stairs, an all-abilities access ramp and more landscaping along the seawall is progressing. Until then, we encourage our community to access the beach via the ramps either side of the Surf Club tower.

Major construction for the overall Stage Two project remains on track for completion in March 2027, weather and site conditions permitting.

October works

- Continued construction of the remainder of the terraced seawall all-abilities beach access ramp and ocean viewing deck north of the Surf Club
- Continuation of stone facing works to the vertical seawall section
- Continuation of concrete works for the road realignment and pedestrian crossing in front of the Peninsular Building
- Continuation of road, kerb and pedestrian crossings works along Mooloolaba Esplanade in front of the Syrenuse and Zanzibar buildings
- Continuation of underground stormwater and electrical works
- Installation of the new amenities block structure and roofing taking formation.

New amenities taking shape

The foundations for a more inclusive Mooloolaba are taking shape at Central Meeting Place. The concrete slabs have been poured and the structure and roofing are being installed for new state-of-the-art public amenities - set to transform access and convenience for all to the foreshore.

The modern facilities will include a best-practice Changing Places facility, providing fully accessible public amenities for people with high support needs and their carers.

Australian Government

Mooloolaba Foreshore Revitalisation

Improved accessibility is a main focus across the foreshore, with upgraded pathways, new community spaces and modern public facilities that support the diverse needs of residents and visitors.

Temporary road closure

A reminder that a 150 metre section of Brisbane Road (from the corner of First Avenue to Mooloolaba Esplanade) is temporarily closed to through traffic until mid-December 2026. **Refer to map below.**

The closure is required to undertake extensive underground services works including power, lighting and stormwater works, ahead of new road, kerb and pedestrian crossings construction.

Pedestrian access remains available to The Esplanade and all local businesses and the first four hours of parking are FREE at PARKnGO Mooloolaba Central.

Map below: Temporary road closure - Monday 14 September to mid-December 2026. 150 metre section of Brisbane Road to Mooloolaba Esplanade, from the corner of First Avenue. No through-traffic permitted, detours and signage in place.

The Mooloolaba Seawall project received funding from the Australian Government.

Mooloolaba Foreshore

Revitalisation

Last month's works (September)

- Last month's works (September)
- Continued construction of the remainder of the terraced seawall all-abilities beach access ramp and ocean viewing deck north of the Surf Club
- Continuation of stone facing works to the vertical seawall section
- Continuation of concrete works for the road realignment and pedestrian crossing in front of the Peninsular Building
- Continuation of underground stormwater and electrical works
- Preparation works along Mooloolaba Esplanade road, kerb and pedestrian crossings works (in front of the Syrenuse and Zanzibar buildings) including underground services works and some vegetation removal. (see details under 'Temporary road closures' later in this update).

What's on this month?

Council remains committed to supporting local businesses through the Mooloolaba Chamber of Commerce's 'Meet Me in Mooloolaba' campaign, encouraging locals and visitors to continue shopping, dining and exploring everything the precinct has to offer.

Queensland school holidays - underway!

Saturday, 19 September to Monday, 5 October 2026 (inclusive).

Sunset Market

The Mooloolaba Sunset Market is on Saturday 3 October at Beach Terrace.

Contact the project team

If you have any questions about these works you can contact the project team via:
