

Brisbane Road Upgrade Project

Stages 2 and 3, Mooloolaba Transport Corridor Upgrade, Mooloolaba

Concrete driveway construction

6am Thursday 24 November to 7am Monday 28 November, 2022 inclusive
(weather permitting)

Mooloolaba Junction Convenience Centre, 3 Tarcoola Avenue, Mooloolaba

Temporary changes to traffic conditions access. Access via Kapala Street only (day and night).

Construction Update

As part of the Brisbane Road Upgrade project new pedestrian pathways are being constructed. In some cases these pathways intersect driveways meaning new driveways must also be constructed.

The Mooloolaba Junction Convenience Centre is one such case, with the Tarcoola Avenue driveway requiring reconstruction.

On Thursday 24 and Friday 25 November the new driveway section concrete will be poured. It will then require two days to cure (dry and harden).

These works have been brought forward in the program to take place before the peak holiday season to help support local businesses.

We have provided this notice to allow businesses to communicate this information to customers/clients/patients where possible.

The construction contractor will liaise with waste collection contractors to ensure bins are accessible. Please leave bins in their usual positions.

Changes to traffic conditions

From 6am Thursday 24 to 6am Monday 28 November (inclusive), vehicle access to the Convenience Centre will be via the Kapala Street entry only. Tarcoola Avenue access will be reopened by 7am Monday 28 November, after the concrete has cured.

Signage will be in place to redirect motorists from the Tarcoola Avenue access to the Kapala Street access.

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

Large vehicles will be on site, including concrete trucks. Intermittent construction noise is to be expected on the Thursday and Friday during works.

Pedestrian access will remain available to the Centre at all times.

Register for project updates and/or contact the project team

To register for construction updates, email your details to mtcu@sunshinecoast.qld.gov.au

For further information, you can contact the project team on 1800 531 597 (during office hours, Monday to Friday 8.30am – 5pm) or email mtcu@sunshinecoast.qld.gov.au
