After the holidays, the temporary northbound lane will revert to opening during peak periods only – from 12 noon Friday to Sunday evening, until the Brisbane Road/Walan Street/Hancock Street intersection reopens.

**Tarcoola Avenue - temporary partial road closure Monday 20 June to early September (exact date to be confirmed)
DATES AS ORIGINALLY PLANNED**

This closure is required to assist with constructing the new Tarcoola Avenue-Brisbane Road signalised intersection. Tarcoola Avenue is expected to reopen in September as originally planned.

**Brisbane Road/Walan Street/Hancock Street - intersection reopening
REVISED DATE TO BE ADVISED**

As advised in our Construction Notification dated 5 July, the reopening date of the intersection has been impacted by the request for the temporary northbound lane on Hancock Street to remain open during the June-July school holiday period.

The project team will advise the revised reopening date after the holiday period and following the next few weeks' of construction progress.

**Next phase of detours/road closures
August to December 2022: To be advised**

Environmental and traffic considerations

All construction is being performed under the relevant environmental conditions and an Environmental Management Plan.

All changes to traffic conditions are being performed under an approved Traffic Management Plan.

What to expect during these works?

Motorists are advised to obey reduced speed limits, follow directional signage and the instructions of traffic control and/or Queensland Police and importantly, allow extra travel time.

Detour signage has been erected to communicate traffic changes to motorists.

All businesses in the construction areas on Brisbane Road, Hancock Street, Kapala Street, Tarcoola Avenue, First Avenue and Walan Street, along with businesses along Mooloolaba Esplanade and Parkyn Parade remain OPEN during these works. Please continue to support local businesses during the construction period.

Bus services are operating with alternative routes in place as required. Signage is helping to redirect passengers.

We thank nearby residents and businesses for your ongoing patience and understanding during these complex construction works.
