Councillor Mark Jamieson
Mayor
Sunshine Coast Regional Council
Locked Bag 72
SUNSHINE COAST MAIL CENTRE QLD 4560

Dear Councillor Jamieson

Mark,

I refer to the letter of 1 May 2018 from the Sunshine Coast Regional Council (council) seeking approval for the council to adopt its proposed Local Government Infrastructure Plan (LGIP).

I congratulate the council on achieving this significant milestone. Having an approved LGIP in place will ensure the council continues to have the ability to levy charges or impose trunk infrastructure conditions on future development approvals.

The proposed LGIP has been assessed against the requirements of the *Sustainable Planning Act 2009* for compliance with Statutory guideline 01/16: Making and amending local planning instruments and Statutory guideline 03/14: Local government infrastructure plans.

I am pleased to advise I am satisfied the proposed LGIP complies with all statutory requirements and that the council may now proceed to adopt the proposed LGIP.

If you require further information, please contact Mr Garth Nolan, Manager, Planning and Development Services – SEQ North in the Department of State Development, Manufacturing, Infrastructure and Planning, on (07) 5352 9710 or garth.nolan@dsdmip.qld.gov.au, who will be pleased to assist.

Yours sincerely

A handwritten signature in blue ink that reads "Cameron Dick".
