24/04/2024	Councillor R Natoli	Councillor Appointments to External Bodies	<p>In accordance with s150EQ(3)(b) of the <i>Local Government Act 2009</i> Councillor R Natoli gave notice of a Declarable Conflict of Interest in relation to Agenda Item 8.5 -Councillor Appointments to External Bodies:</p> <p>I, Mayor Rosanna Natoli, notify that I may have a Declarable Conflict of Interest in Item 8.5 – Councillor Appointments to External Bodies to be considered at today's Ordinary Meeting. The Declarable Conflict of Interest may arise due to the fact that:• I am the Councillor who is being recommended for nomination as the District 2 North representative on the Policy Executive of the Local Government Association of Queensland Limited;</p> <ul style="list-style-type: none">• the relevant exclusion of the application of the Councillor Conflict of Interest provisions in Chapter 5B of the <i>Local Government Act 2009</i> – which is section 150EF (2) of the Act – relates to the nomination or appointment of a councillor to be a member of the board of a corporation or association;•the Policy Executive of the LGAQ is not the board of the LGAQ; and• section 150EF (2) of the Act is not therefore, applicable in the case of a nomination by Council of a Councillor to the Policy Executive of the LGAQ. <p>In making this notification, I note that:•The nomination is being proposed by Council officers, not myself; • The nomination is intended to provide an opportunity for the interests of the Sunshine Coast Council to be represented and advanced through the formulation and implementation of the advocacy priorities of the LGAQ on behalf of local governments in Queensland; • The nomination – if endorsed by Council and ultimately supported by the other councils who make up the District 2 North cohort – is considered unlikely to materially impact public trust in my ability to objectively discharge my responsibilities as Mayor of the Sunshine Coast Council;•If I am ultimately endorsed as a member of the Policy Executive of the LGAQ, the benefit I receive – which is a meeting fee of \$560.00 per meeting and accommodation and travel costs to attend meetings – is relatively minor when compared with the value that Council and the region may receive in having their interests represented by me in shaping the priorities and advocacy program of the LGAQ;</p> <ul style="list-style-type: none">• The need to notify this Declarable Conflict of Interest arises due to the technical drafting and interpretation of section 150EF (2) of the Act, which is limited to circumstances where the nomination is to the board of a corporation or association. As the Policy Executive of the LGAQ is not the board of the LGAQ, the Chapter 5B conflict of interest provisions will apply to any nomination. If the Policy Executive were the board of the LGAQ, the conflict of interest provisions would not apply. <p>On this basis, I have formed the view that I can appropriately manage what I consider to be a technical conflict of interest and that I can impartially make a decision in the public interest on the matter which is the subject of Agenda Item 8.5, which is to be considered at the meeting today. Councillors, for the record, I would like it to be noted that my notification of this Declarable Conflict of Interest relates solely to that aspect of the agenda report dealing with the nomination of myself as the District 2 North representative on the Policy Executive of the LGAQ. I am of the view that I do not have a Declarable Conflict of Interest to notify in relation to the nomination of myself as a Director of the Board of the Council of Mayors South East Queensland Pty Ltd, as the conflict of interest provisions in Chapter 5B of the <i>Local Government Act 2009</i> do not apply to that matter, as it is a nomination to the Board of that company. As I have already advised, section 150EF of the Act makes it clear that the conflict of interest provisions do not apply in circumstances where the nomination is to the board of a corporation or association. I will now ask the Deputy Mayor to take the Chair so that Council may consider whether or not I may participate in the discussion and decision for Agenda Item 8.5.</p> <p>In accordance with s150ES(3)(b) of the <i>Local Government Act 2009</i> the eligible Councillors were required to decide whether Councillor R Natoli may participate in a decision in relation to agenda item 8.5. In accordance with s150ES(3)(b)(ii) of the <i>Local Government Act 2009</i> Councillor R Natoli must not participate the discussions, or decisions relating to Agenda Item 8.5 and must leave the place at which the meeting is being held, including any area set aside for the public and stay away from the place while the eligible councillors discuss and vote on the matter.In accordance with s150ET(2) of the <i>Local Government Act 2009</i> , Councillor R Natoli was not eligible to vote, and did not vote on this matter.
