Construction overview

The past few weeks of fine weather conditions have allowed for solid construction progress in the Northern Parkland.

Most underground infrastructure works are now complete, with other elements of the parkland including the new BBQ Shelter and new public amenities building almost complete.

Soft fall flooring and shade sails have been installed in the adventure playground and swing set areas, ahead of further landscape works.

All Northern Parkland construction is expected to be complete by June 2022 with a community celebration planned in July.

Community Engagement

The next stage of the Mooloolaba Foreshore Revitalisation project is the Central Meeting Place, located near the Brisbane Road entry point along the Mooloolaba Foreshore.

From Wednesday 30 March to Wednesday 4 May, council is seeking community feedback on two elements from the 2015 Placemaking Mooloolaba Master Plan and 2019 Detailed Design:

- **Cove Kiosk (Northern Parkland):** to understand what type of food and drink outlet should be available
- **The meeting place and public amenities (Central Meeting Place):** to help determine the functions and facilities residents and visitors value in the Central Meeting Place, which encompasses the Loo with a View.

See the map on page 3 for the location of the Central Meeting Place and have your say by completing the survey here:
