

# Mooloolaba Foreshore Revitalisation

## Email template for accommodation providers

### **Business *Unusual***

The Mooloolaba Foreshore Revitalisation is currently underway – rejuvenating and creating more beachfront parkland, picnic areas, beach facilities, event spaces, enhanced coastal protection, viewing decks, pathways connecting beach to business and improved accessibility.

During this time, there may be changes to the way you move around Mooloolaba but we can assure clear access will remain to more than a kilometre of beach including patrolled flagged areas, and all of your favourite shops, cafes, restaurants and other businesses on the esplanade and surrounds.

We apologise for any inconvenience this may cause during your stay and we appreciate your understanding during the revitalisation.

There's more than ever to see and do during your stay. Check out [Discover Mooloolaba](#) for local events and promotions.

For more information on the project and to see the vision for Mooloolaba, please visit [www.sunshinecoast.qld.gov.au/mfr](http://www.sunshinecoast.qld.gov.au/mfr).
