## Brisbane Road Upgrade

Stages 2 and 3

Mooloolaba Transport Corridor Upgrade

Underground services (sewer) works – Tarcoola Avenue

Monday 17 July to Friday 4 August – day construction works with temporary traffic changes remaining in place day and night.

*All works are subject to fine weather and construction material/equipment availability*

Tarcoola Avenue, Mooloolaba

Temporary changes to traffic conditions - half road closure Tarcoola Avenue section.

One way access only from Brisbane Road to Tarcoola Avenue.

### Construction overview

An upgrade to sewer infrastructure will be undertaken in Tarcoola Avenue as part of the Brisbane Road Upgrade Project.

These works involve excavating a large trench under the road and reinstating the road surface.

To minimise impacts to nearby businesses and residents by completing the job as quickly as possible, a half road closure on Tarcoola Avenue will be in place from 6am Monday 17 July to approximately 12noon Friday 4 August inclusive.

One way access from Brisbane Road into Tarcoola Avenue only will be in place with detours for all other traffic movements.

Alternative pedestrian pathways will be operating for safety reasons.

Nearby businesses, including shops and services in the Mooloolaba Junction Convenience Centre **will remain open** with access to the building's car park remaining.

Please see the map on page 2 of this notification for further details and allow an extra 5-10 minutes of travel time during these works.

### Temporary changes to traffic conditions

Access **from** Brisbane Road into Tarcoola Avenue will remain available under a one way (in) arrangement. Access from Tarcoola Avenue (out) onto Brisbane Road will not be available. Alternative routes will be available via detours.

Signage will help to redirect traffic.

Normal public transport services and waste collection services will continue to operate.

### What to expect during these works?

The construction team will make every effort to minimise impacts to the community however nearby residents and businesses can expect intermittent construction noise including the operation of heavy machinery and large vehicles.

Please allow an extra 5 minutes of travel time when travelling to destinations in/near the construction zone.

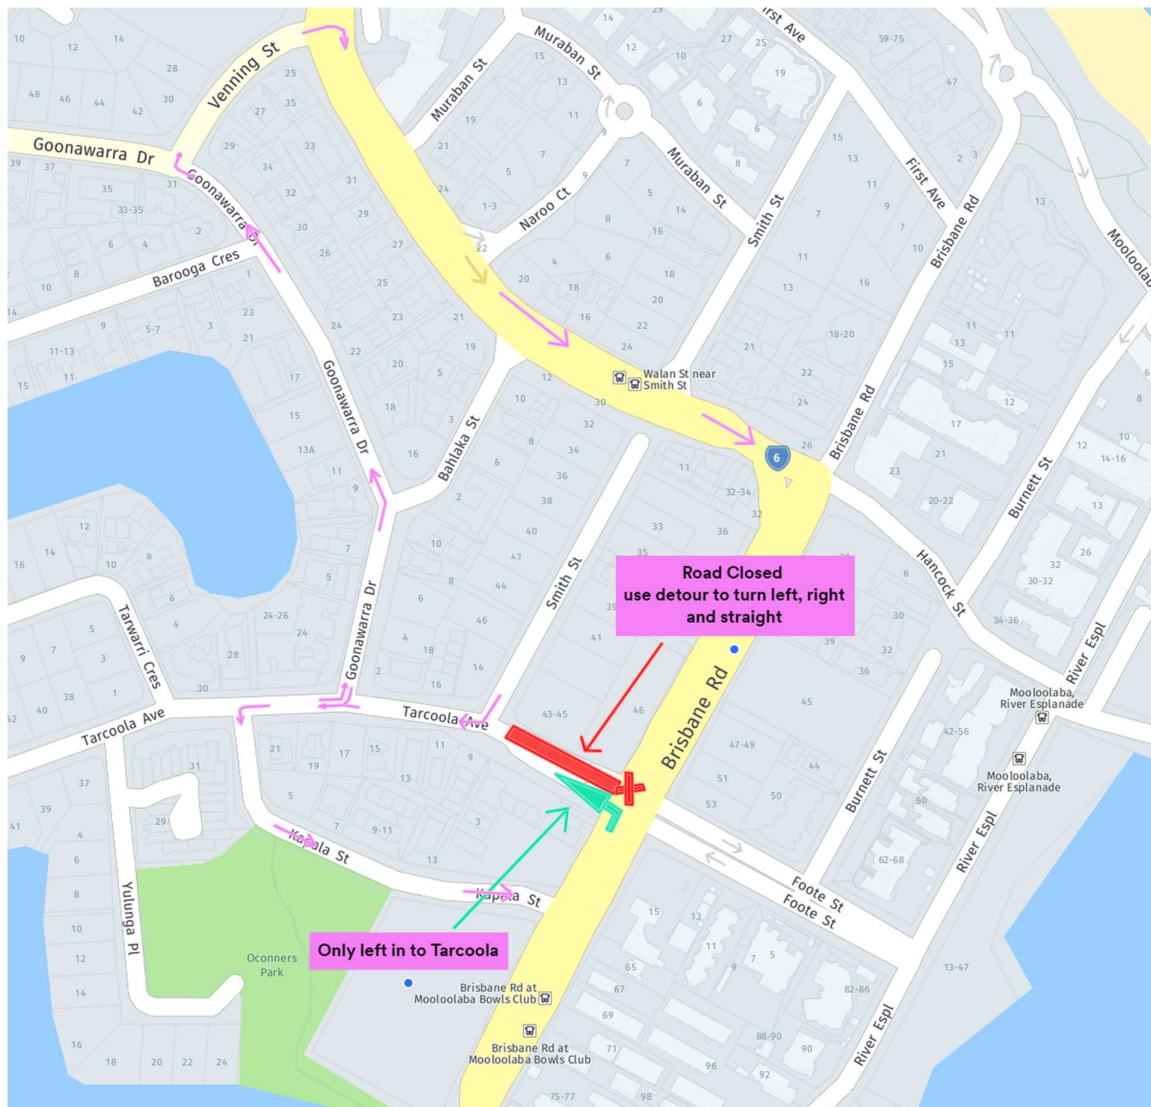

Please continue to support all local businesses during these works.

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

## Register for project updates and/or contact the project team

To register for construction updates, email your details to [mtcu@sunshinecoast.qld.gov.au](mailto:mtcu@sunshinecoast.qld.gov.au)
