16 March 2026

Sugar Road and Maud Street Transport Corridor Upgrade

-  Stage 2 interim works – footpath and cycle ramp construction
-  Monday 23 March to mid-April 2026. Night works 7pm to 5am (weather permitting)
-  Sugar Road, and Sugar-Wises Roads Roundabout, Maroochydore
-  Two-way traffic remaining with traffic control in operation as required.

Project overview

Sunshine Coast Council is planning to make the Sugar Road and Maud Street travel corridor (from Bungama Street to Wises Road), safer and more efficient for all users. The ultimate project will be delivered across multiple stages and include:

- new, separated pathways for walking and riding
- new signalised and raised priority crossings at key intersections
- widening Sugar Road and Maud Street from two to four lanes
- making the area greener and more comfortable and enjoyable for walking and riding
- providing a transport corridor that supports a vibrant, connected and future-ready Maroochydore.

To learn more about the project and see the [FLY THROUGH](#) video of the ultimate concept design visit the webpage by searching 'Maroochydore Sugar Road and Maud Street Upgrade' on Council's website.

Interim upgrade works - Sugar Road

As communicated in our previous notifications (November 2025 to January 2026), Council is undertaking interim works on Sugar Road, between Oloway Crescent and the Sugar Road-Wises Roads roundabout.

These interim works are being completed ahead of the ultimate (final) design and will help to improve traffic flow and safety in the shorter term, ahead of the longer-term stages for the transport corridor.

The first stage of interim works, line marking changes was completed in late January 2026.

The second stage involves footpath and cycle ramp improvements at various locations along Sugar Road. Please refer to *Figure 1* on page 2 of this notification to see the locations.

Footpath and cycle ramp interim works – Sugar Road and Sugar-Wises Roads Roundabout

Monday 23 March to mid-April 2026

Night works, 7pm to 5am – weather permitting

To reduce inconvenience to our community including local businesses, these works will be undertaken at night. Construction machinery and vehicles will be operating on site with intermittent construction noise expected.

Sugar Road and the Sugar-Wises Roads Roundabout will remain open to two-way traffic, with traffic control in operation as required for safety.

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

Construction notification

These works are being delivered in conjunction with the Queensland Department of Transport and Main Roads (TMR's) intersection upgrade works taking place on Mooloolaba Road (Syd Lingard Drive to Tantula Road West). Visit [TMR's Website](#) to learn more.

We thank our community for your patience and understanding during these works.

Future stages of works

With the concept design now complete, detailed design of the Sugar Road and Maud Street Upgrade is expected to begin this year (2026), subject to approvals. The project will be delivered in stages, with timing subject to future Council budget deliberations.
