Funding: \$6,472.00 **Date:** December 2017 **Beneficiaries:** 40 **No. of Volunteers:** 10

Outcome: Funding has given the Caloundra CWA capacity to run classes for both children and adults, purchasing 10 sewing machines and associated materials. This allows for skill transfer and engaging both our older residents and youth.

Impact: The new machines provide quality, consistent equipment for participants to utilise when learning to sew. It assists the volunteer tutors and provides an activity for residents young and old, the opportunity to learn new skills and engage in their local community.
