## Memorial Drive Streetscape Upgrade, Eumundi

Night works - Memorial Drive

Monday 31 March to Thursday 3 April (inclusive) 6pm to 5am

\*All works are subject to weather, site conditions and construction material/equipment availability.

### Night works – Monday 31 March to Thursday 3 April (inclusive) 6pm to 5am

As part of the Stage 2 streetscape improvements underground services such as power and water need to be located before construction occurs.

To minimise inconvenience to local businesses and our community, these works will be undertaken at night (weather and site conditions permitting).

Two-way traffic will continue along Memorial Drive and surrounding streets and access will remain available to local businesses.

Some low-mid level intermittent noise is expected however noisier works will be coordinated to take place earlier in the evening.

We thank our community, including local businesses, for your ongoing understanding as the new streetscape comes to life.

You can view the full streetscape design on the project [webpage](#).

### What to expect during night works

Where underground services require physical location, the road and footpath areas will be cut with a concrete saw.

A vacuum truck will then suck away excess material from the underground services to identify and expose the services.

For safety reasons, some on-street parking areas will be temporarily unavailable whilst these investigations are underway.

Disturbed areas will be backfilled and sealed with asphalt (bitumen) to ensure a safe and weatherproof surface.

### Register for construction updates

Keep up to date with all construction news by [registering](#) for our emailed project updates. All updates can also be found on the project [webpage](#).

### Contact us

Have a question for the project team? Please email: [eumundistreetscape@sunshinecoast.qld.gov.au](mailto:eumundistreetscape@sunshinecoast.qld.gov.au)

Or contact Council's customer service team via the details at the base of this update (please quote Eumundi Streetscape Project).

We will continue to keep you updated about the project via our regular notifications.

*All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.*
