

Brisbane Road Upgrade

Stage 3, Zone E

Mooloolaba Transport Corridor Upgrade

Project number: H3747

Underground gas main works and temporary changes to traffic conditions
Brisbane Road, Hancock Street and Walan Street, Mooloolaba
Monday 20 September – Friday 1 October. Day works 7am – 5pm
(weather and site conditions permitting)

About the works

As part of the Brisbane Road upgrade underground services including gas mains are being relocated and upgraded.

The gas mains are located across and under the road and require high level construction skills and advanced machinery to relocate.

To safely undertake these works some temporary changes to pedestrian and traffic movements will be required.

Please refer to the map on **page 2** for the location of these works and changes to traffic conditions.

What to expect during these works?

A drilling machine will be used to create a horizontal, underground channel which will house the new gas main. The drilling machine will be located on the corner of Walan Street and Brisbane Road within the construction site.

Small excavators and tip trucks will be operating.

Nearby businesses and residents should expect intermittent low-medium level construction noise throughout the day.

The construction team will make every effort to minimise construction impacts where possible and safe to do so.

Temporary changes to traffic conditions

Vehicle and pedestrian access will remain to homes and businesses.

Some areas of footpath along Walan Street and Hancock Street will be temporarily closed to pedestrians. Alternative pedestrian pathways will be in place.

For safety reasons, intermittent stop and go traffic control will be in operation along Walan Street and Hancock Street to manage construction vehicle movements.

Please see the onsite traffic controllers for assistance if required.

Thank you for patience and understanding during these necessary works.

Contact the project team

For further information, you can contact the project team on 1800 531 597 (during office hours, Monday to Friday 8.30am – 5pm) or email mtcu@sunshinecoast.qld.gov.au
