

Moffat Beach reconstruction project

5 December 2024 update

Thanks for subscribing to stay up-to-date on local projects at Moffat Beach, including the seawall reconstruction project.

This update is to let you know application to seek approval for an alignment of the reconstructed Moffat Beach seawall is now live on Development.i.

View the application

You can view the application and supporting documents by visiting developmenti.sunshinecoast.qld.gov.au and searching for application number OPW24/0487.

Once the application has appeared, select the "details" button, then click on the link "application documents" to view the application documents.

The application will go through a rigorous assessment process which is expected to take up to six months.

Thank you

Thank you to the community members who came down to the drop-in session last Saturday.

There were some great conversations and feedback from those that attended.

We would also like to extend our thanks to the members of the Moffat Beach Community Focus Group who attended to be part of the event to help share information.

If you were unable to attend, please visit our website where all the information shown at the drop-in session is also available.

Next steps - park and landscaping

We are working on a draft plan for minor reconfigurations of the carpark to support the new ramp and landscaping elements behind the seawall such as new trees, updated pathways, picnic tables and beach showers.

The community will have the opportunity to provide feedback on this early next year.

Last update for 2024

This is our last update for 2024. We will be in touch in early 2025 to share information about the landscaping elements as well as any other project updates.

Please share this with family and friends who may be interested in Moffat Beach and encourage them to subscribe.

On behalf of the project team, we thank you for your interest in the project and wish you a safe and happy festive season.
