

**Mooloolaba Transport Corridor
Upgrade Project**
Stage 1B – Walan Street, Mooloolaba

Project number: H9272

**Naroo Court and Walan Street
Asphalt works - Saturday 10 April and Sunday 11 April (day and night
works)**

(weather and site conditions permitting)

As we move closer to the estimated mid-April completion of Stage 1B construction (weather permitting), we wish to advise details of the next few weeks of works.

These works have been scheduled to minimise impacts to local businesses and residents.

Please see the map on **page 2** for the location of this construction activity.

Traffic controllers will assist motorists and pedestrians as required.

Asphalt (bitumen) works

- **Saturday 10 April (day works 6am – 6pm)**
Removal of gravel in front of the Naroo Court entry/driveway of 20 Walan St in preparation for final asphalt seal.
- **Sunday 11 April (night works 6pm – 6am)**
Minor asphalt works to Naroo Court entry/driveway of 20 Walan Street.
Minor asphalt works on Walan Street outside of the Mooloolaba Central Shopping Centre.

Landscaping works

- Planting and other landscaping works will continue until the project's completion.

Temporary changes to traffic conditions

To safely complete the asphalt works some sections of Walan Street will be closed to traffic at various times during the evening of Sunday 11 April.

Access to local businesses and residences will remain available with the assistance of traffic control.

What to expect during these works

Intermittent medium level construction noise is to be expected.

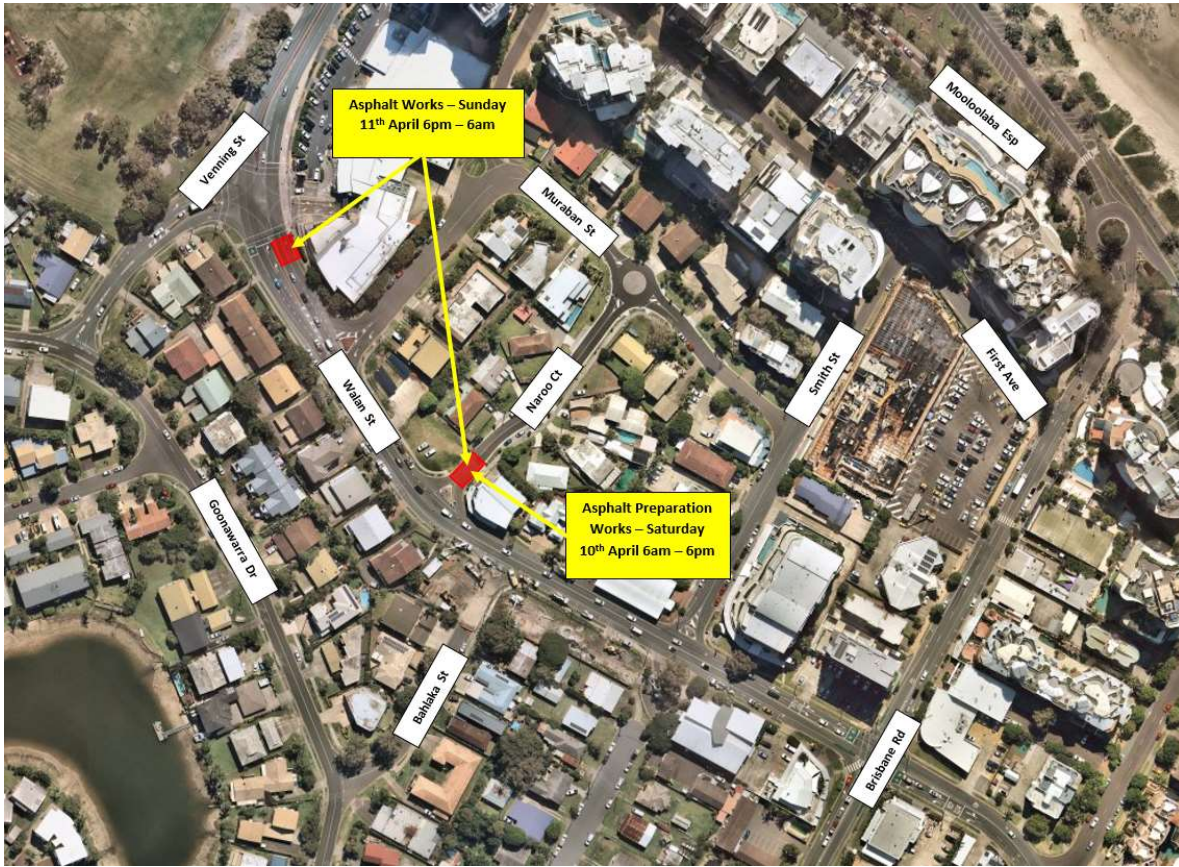

Some temporary changes to traffic will be in place.

Heavy machinery will be in operation including the use of reversing beepers as a safety requirement.

Signage will help to direct motorists and pedestrians.
