

**Mooloolaba Transport Corridor
Upgrade Project**
Stage 1B – Walan Street, Mooloolaba

Project number: H9272

**Footpath and driveway crossover works
Naroo Court to Smith Street**
Wednesday 17 March to Saturday 27 March (inclusive) 6am – 6pm
(weather and site conditions permitting)

As part of the final works for the Stage 1B Walan Street upgrade, new footpaths and driveway crossovers are being constructed between Naroo Court and Smith Street, Mooloolaba.

To help minimise impacts to local businesses and residents these works will be staged.

Due to the time required for concrete curing (drying and hardening) the driveways at 16 and 18 Walan Street will be inaccessible to vehicles for periods of up to 4 days. During this time, nearby alternative parking will be provided to residents and businesses of these properties.

Please see the map on page 2 for the details of each section of works.

Pedestrian access will be available via alternative pathways.

Traffic control will assist pedestrians and motorists.

What to expect during these works

Each section of the footpath and driveway crossovers requires a four step process over four days:

1. Footpath and driveway sections excavated and then 'boxed' with formwork
2. Concrete poured and smoothed
3. Concrete cured
4. Footpath and driveways reopened to pedestrians and vehicles.

Intermittent medium level construction noise is to be expected.

On the days where concrete is being poured large concrete trucks will be in place.

Traffic controllers will assist motorists and pedestrians as required.

Temporary changes to traffic conditions

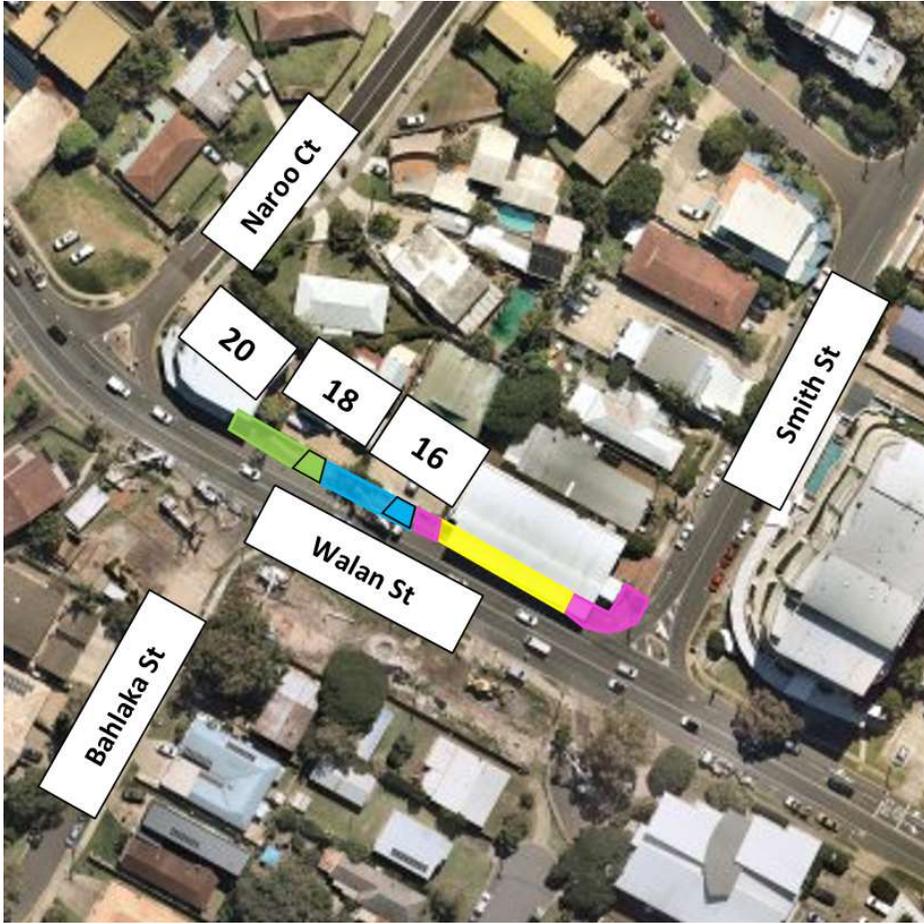

Walan Street will remain open to traffic, however some driveways and footpaths will be inaccessible at various times to motorists and pedestrians where indicated.

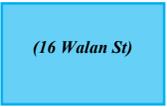

Alternative business and resident parking will be provided during each section of works.

The construction contractor will liaise directly with residents and businesses at 16 and 18 Walan Street about alternative parking arrangements.

Contact the project team

For further information about the Mooloolaba Transport Corridor Upgrade or to register for construction updates please contact the project team on 1800 531 597 (during office hours, Monday to Friday 8.30am – 5.30pm) or email mtcu@sunshinecoast.qld.gov.au
