

Capital works highlights for Division 6

Division 6 suburbs

Buderim Pines, Buderim Meadows, Mountain Creek (Glenfields, Brightwater), Palmview (Harmony, Village Green), Sippy Downs (Chancellor Park).

A note from your local councillor - Cr Christian Dickson

I'm thankful to share some of the key highlights from this year's budget. What I hear most from our community is that it's not always about the big dollar projects; it's the positive difference a local project will make in their lives. It's why many of these community suggested projects are important to me.

After hearing from locals, we've made important design changes to the Active Transport Link project connecting Karawatha Drive to Mooloolaba. We're getting ready to bring this project to life and provide a safe, accessible way for everyone to get around. Thank you for your feedback.

I've spoken with many locals who have asked for a skate park in our division, and I'm thrilled to share we now have some initial funding set aside as part of a skate park proposal for Brightwater. We'll bring you more information soon, and I'd love to hear your thoughts.

We've also dedicated funds for a basketball half-court in Durack Place Park in Buderim. I see plenty of basketball hoops in yards and driveways and kids playing basketball in local streets, and it's time to give these kids a dedicated space to foster a love for sports and active lifestyle.

My hope is that you'll spot something in this budget that reflects what matters most to you and your family. And if your idea isn't there yet, please know I'm working hard to make it happen.

Cr Christian Dickson
