

Brisbane Road Car Park Redevelopment

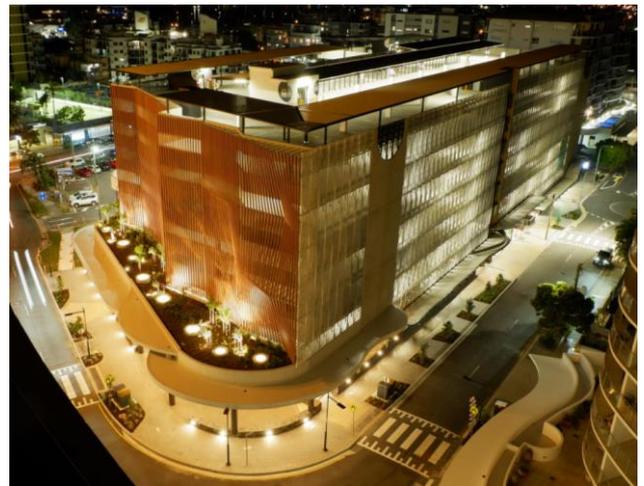

We are pleased to inform you that we have completed the construction works at the new ParknGo Mooloolaba Central car park.

The new ParknGo Mooloolaba Central car park would have not been achievable without the patience and cooperation of the Mooloolaba community, especially the businesses and residents working and living near this vital new piece of infrastructure.

To find out more about the new ParknGo Mooloolaba Central car park, visit www.parkngo.com.au.

The new eight-storey car park features:

- three ground floor commercial tenancies facing First Avenue
- 700 public parking spaces
- 14 parking spaces for people with a disability
- 54 motorcycle spaces
- 50 bicycle spaces
- two electric charging stations
- vehicle entries from Brisbane Road and Smith Street.

A note from your local councillor

I am thrilled to see this significant key infrastructure project now complete. This new facility contributes to the revitalisation of Mooloolaba and responds to the growing number of visitors from within and from outside the region. Special thanks to the Mooloolaba community for their patience and cooperation as the team built this vital community infrastructure.
