As at 31 January 2021 \$407 million operating revenue had been achieved which is \$2.5 million more than current budget for the same period.

- This is largely due to:
 - Net Rates and Utility Charges** – An increase in waste collection services has led to a 2.7% increase in cleansing charges on 2019/20 result and higher than the increase in service level anticipated in the 2020/21 budget.
 - Fees and Charges** – Fees relating to Council's Caravan Parks are currently \$1.3 million above budget. Development Services Fees and Tip Fees are also above budget by \$445,000 and \$371,000 respectively while fees relating to parking infringements are below forecast by \$948,000.
 - Interest Received from Investments** - The reduced RBA cash rate has had an impact on Council's investment revenue.
 - Other Revenue** – The positive variance in Other revenue is due to \$160,000 received in Sponsorship and Container Deposit Scheme above budget \$106,000. Similarly recovered legal fees are above budget \$87,000.
 - Internal Sales** – Internal Quarry Sales are currently below budget by \$873,000

- Both Transport Levy Projects and Maintenance Delivery are underspent by \$250,000 and \$450,000 respectively due to the timing in the delivery of road maintenance and Natural Areas Management is \$475,000 underspent due to timing in contract payments.
