

Project number: H3747

Brisbane Road Upgrade

Stages 2 and 3

Mooloolaba Transport Corridor Upgrade

New and updated temporary changes to traffic conditions

Brisbane Rd additional evening of night works - Tuesday 13 September, 6pm to 6am

Brisbane Rd/Walan St/Hancock St intersection reopening - Thursday 15 September

Brisbane Rd/Tarcoola St intersection reopening - Thursday 15 September

September 2022

Brisbane Road, Tarcoola Avenue, Walan Street and Hancock Street Mooloolaba

Traffic control in place

Wet weather over the past few nights has slightly delayed night works progress. One additional evening of night works is now required, on Tuesday 13 September.

From Thursday 15 September, traffic on Brisbane Road will use the two new western lanes, while construction of the two eastern lanes takes place.

The Brisbane Road/Walan Street/Hancock Street and Brisbane Road/Tarcoola Street intersections will reopen to traffic on **Thursday 15 September**.

All works and dates are weather dependent.

Temporary changes to traffic conditions

Tuesday 13 September. Night works: Brisbane Road between Walan Street and Mayes Canal Bridge. See Figure 1 over page.

Asphalt (bitumen) works will take place.

A final layer of asphalt will be applied to the full Stages 2 and 3 area at the completion of all road works, followed by permanent line marking. We will advise the community in advance of these works.

What to expect during these works?

For safety reasons, night works require temporary lighting and vehicles fitted with reversing beepers.

During asphalt works large vehicles and heavy equipment will be in operation.

Motorists are advised to obey reduced speed limits, follow directional signage and the instructions of traffic control and/or Queensland Police. Signage has been erected to communicate traffic changes to motorists and pedestrians.

Please allow extra travel time and continue to support local businesses wherever possible.

Environmental and traffic considerations

All construction is being performed with the relevant Environmental Management Plans and Traffic Management Plans in place.

Register for project updates and/or contact the project team

To register for construction updates, email your details to mtcu@sunshinecoast.qld.gov.au

For further information, you can contact the project team on 1800 531 597 (during office hours, Monday to Friday 8.30am – 5pm) or email mtcu@sunshinecoast.qld.gov.au

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.
