

Kids in Action

Walk on Country Song Lyrics

2025 Kids in Program

From the desert to the sea
Come take a walk with me
Feel the colours of this land
As we walk hand in hand

One foot in front of the other
Is all you need to take
Take the first step to see
And walk on country with me

On this land that is old as time
Respect the footprints before mine
This land in harmony
Take a walk on country with me

It doesn't matter who you are
Or where you've been
If you love this place, you call home
Take a walk on country with me

One foot in front of the other
Is all you need to take
Take the first step to see
And walk on country with me

On this land that is old as time
Respect the footprints before mine
This land in harmony
Take a walk on country with me

Let's walk together
On this journey together
We are walking together you and me
you and me

One foot in front of the other
Is all you need to take
Take the first step to see
And walk on country with me

On this land that is old as time
Respect the footprints before mine
This land in harmony
Take a walk on country with me

Acknowledgement:

The 'Walk on Country' Song was co-written and created by Kingaroy State School teacher Kylie Ayling and Andrea Kirwin (Peace Run Records) as part of their 2025 Kids in Action participation and presentation. The song was recorded and performed by Andrea Kirwin (Peace Run Records). This song may be used for educational purposes and must acknowledge all involved.

How to Use and Acknowledge for Education Purposes:

You may use the song in educational settings, such as classrooms or school events.

Whenever the song is played, shared, or referenced, include the full acknowledgement statement above. If space is limited (e.g., on a slide or handout), at minimum, credit the 2025 Kids in Action Program, the participating students, and the co-writers and performer.

Please always –

- *Display the acknowledgement on materials (e.g., lyric sheets, presentations, lesson plans).*
- *Verbally acknowledge the contributors before or after playing the song.*
- *If publishing online or in print, include the full statement and mention that the song is used with permission for educational purposes.*
