

**Mooloolaba Transport Corridor
Upgrade Project**
Stage 1B – Walan Street, Mooloolaba

Project number: H9272

Changes to traffic conditions
Walan Street – four traffic lanes open. Naroo Court – new intersection open
From 6am Friday 16 April 2021
(weather and site conditions permitting)

As we complete the last few elements of Stage 1B construction we wish to advise that all new Walan Street traffic movements will be operational by Friday 16 April 2021. This includes:

- four traffic lanes (two directions each way) on Walan Street
- the new signalised intersection at Naroo Court
- new pedestrian crossing points
- new pedestrian pathways (with the exception of a temporary pathway on the corner of Naroo Court and Walan Street)
- reinstatement of Walan Street bus stops at the original locations.

Please see the map on **page 2** for details.

What to expect as a result of the new conditions

Some motorists and pedestrians may take time to become acquainted with the new traffic conditions.

Similarly, the timing of the new traffic signals at the Naroo Court intersection may need to be 'tweaked' during the first few weeks of operation. Traffic engineers will be monitoring the conditions.

Remaining Stage 1B works

Minor landscaping works will continue for the next few weeks but are expected to have minimal impact on residents and businesses.

Thank you to residents and businesses

The project team would like to thank local residents and businesses of Walan Street and nearby streets for your patience during Stage 1B construction.

Stages 2 and 3 construction to start soon

With Stage 1B works complete, Stages 2 and 3 will commence construction soon. These stages will be built concurrently from May 2021 to late 2022.

Stages 2 and 3 incorporate the section of Brisbane Road from the intersection of Brisbane Road/Walan Street/Hancock Street through to Kyamba Court, including the new Mayes Canal Bridge.

A copy of the Stage 2 and 3 design and staging boundaries can be found on Council's website at www.sunshinecoast.qld.gov.au/MTCU

We will be in touch again soon with further Stage 2 and 3 construction details.

Contact the project team

For further information about the Mooloolaba Transport Corridor Upgrade or to register for construction updates please contact the project team on 1800 531 597 (during office hours, Monday to Friday 8.30am – 5.30pm) or email mtcu@sunshinecoast.qld.gov.au
