Week commencing Monday 31 October, Time TBC – Foote Street

Tarcoola Avenue, Brisbane Road, Foote Street

Friday 21 October to Friday 28 October - One lane closure Tarcoola Avenue 6am to 6pm only (Tarcoola Avenue to Foote Street) Detours in place.

Construction overview

Attention: Club Mooloolaba, Mooloolaba Central Convenience Centre and Dockside building

Unitywater will be undertaking sewer pipe connection works in Tarcoola Avenue from this Friday 21 October to Friday 28 October (weather permitting).

The sewer pipe connection point location is adjacent to the temporary roundabout at Tarcoola Avenue-Brisbane Road-Foote Street.

Once the sewer connection works in Tarcoola Avenue are completed, sewer connection works will move over to Foote Street (expected to be week commencing Monday 31 October).

All works are weather permitting.

Temporary changes to traffic conditions

To safely undertake these works Unitywater will implement a one lane road closure in Tarcoola Avenue from Smith Street to Brisbane Road between 6am and 6pm.

Kapala Street will remain OPEN (both lanes) at all times.

During these sewer connection works:

- NO LEFT TURN at the roundabout will be available from Brisbane Road into Tarcoola Avenue (Detours will be in place via Walan Street/Venning Street/Goonawarra Drive)
- Vehicles WILL be able to exit from Tarcoola Avenue onto Brisbane Road (and turn right, left or straight through to Foote Street via the temporary roundabout)

When works move to the Foote Street-Brisbane Road intersection, further temporary changes to traffic conditions will be required including driveway access to the Dockside building.

Unitywater will liaise directly with businesses about these works as required. The timing of works (day or night works) is to be determined by Unitywater.

No interruptions to water/sewer services are expected.

Should you have any further questions about these works, please contact Unitywater directly via their freecall number - **1300 086 489** (8am to 5pm, Monday to Friday) and talk to one of the customer service team.

We will continue to keep you updated on all Brisbane Road Upgrade construction works via our usual Construction Notification notices.
