**All works are subject to weather, site conditions and construction material/equipment availability.*

Construction overview

Stage 3 works remain in progress.

To minimise inconvenience to our community, including local businesses over the peak holiday season, construction activity has ceased and will recommence in Lonergan Lane week commencing 12 January 2026.

2026 Construction activity

The remainder of Stage 3 works will take place in 2026 (dates to be advised next year).

They include:

- Ground mural on Lonergan Lane
- Heritage and Art Trail signage
- Wayfinding signage
- Bullock turning circle interpretation element.
- Bike rack.

The on-site construction team will continue to liaise directly with businesses to discuss any specific requirements in advance of these works.

Temporary changes to traffic and parking conditions

We will advise applicable temporary changes to traffic and parking conditions for the remaining works in our next update.
