

Mooloolaba Foreshore Revitalisation Stage 1 Northern Parkland

Project number: B-4741

Temporary changes to traffic conditions

**Mooloolaba Esplanade, between Steve Irwin statue roundabout and Venning Street
Thursday 10, Friday 11, and Monday 14 February (6am – 5pm)**

(All works weather and site conditions permitting)

Ahead of the forecast wet weather next week and with the appropriate resources currently available, an opportunity has developed to undertake kerb reconstruction works along a section of the southbound lane of Mooloolaba Esplanade on Thursday 10, Friday 11 and Monday 14 February. No works will take place on the weekend.

To safely undertake these works the southbound lane of Mooloolaba Esplanade, from the Steve Irwin statue roundabout to Venning Street, will be temporarily closed to motorists. The northbound lane will remain open.

Detours will be in place during the day with normal traffic conditions resuming each evening.

The taxi rank will remain open under traffic control. Parking at the Beach Terrace car park will remain available.

Pedestrians access will remain.

What to expect during these works?

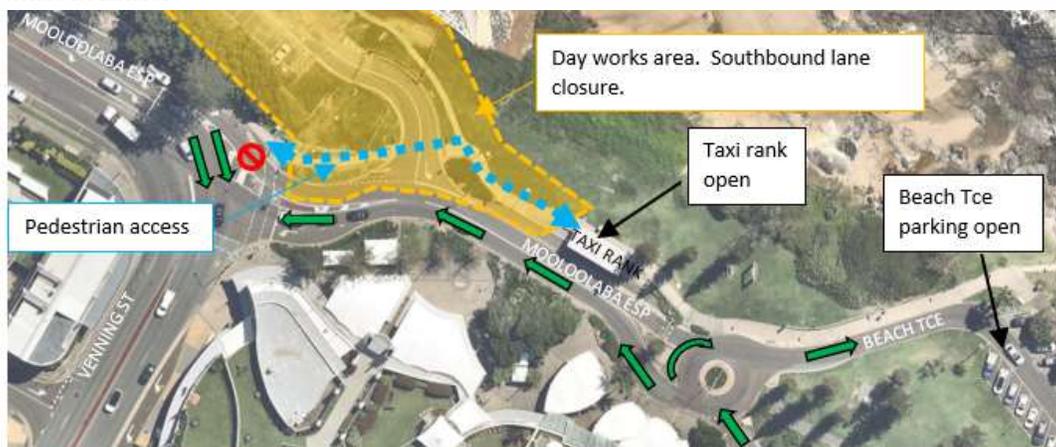

Intermittent, low-medium level noise impacts can be expected with construction workers, machinery and vehicles on site. Every effort will be made to minimise construction impacts where possible.
