What is Flexilink?

A Flexilink service operates similar to a bus as it follows a designated route. The difference is you must book your seat prior to travel.

How to book

You must book your seat 2 hours ahead of departure or by 9pm the previous night for the first morning services. Phone **1300 511 163**. If there are no bookings, a vehicle will not be dispatched.

There are no designated stops along the route. At the time of booking the operator will advise you when and where along the route they can pick you up safely.

If you require a **wheelchair accessible vehicle**, please advise the operator at the time of booking.

Where does it go?

The service starts at Simpson Street, Beerwah, travels along Peachester Road to Fortune Avenue/Storrs Road, Peachester, and back again.

The Flexilink service schedule is designed to connect passengers with TransLink train and railbus services at Beerwah station.

Please visit translink.com.au or call **13 12 30** to plan your train or railbus journey.

Download the **MyTransLink app** for the most relevant bus, train, ferry and tram information in the palm of your hand.
