

Brisbane Road Upgrade

Stages 2 and 3

Mooloolaba Transport Corridor Upgrade

Project number: H3747

Night works, Brisbane Road (between Mayes Canal and Kapala Street)

Monday 15 November and Tuesday 16 November 6pm – 6am

All works weather and site conditions permitting

About these works

As part of the Brisbane Road upgrade underground services are being upgraded. This includes drainage works.

On Monday 15 and Tuesday 16 November concrete tunnels which carry water under a road (known as culverts) will be installed on public land adjacent to the Mooloolaba Bowls Club.

These works have been scheduled at night to help minimise inconvenience to the community and avoid impacting daytime traffic along busy Brisbane Road.

Traffic flow will be maintained with some changes to traffic conditions.

Please see the map on page 2 for the location of these works.

What to expect during these works?

The culverts will be delivered to the construction site by semi-trailer vehicles and installed using a large crane.

During these night works intermittent low-medium level noise can be expected including the use of vehicles with reversing beepers.

Temporary lighting will be in place for safety reasons.

Access to businesses and residences in the construction zone will remain available. In some cases, alternative footpaths will be in place and traffic control staff will assist motorists to access driveways.

The construction team will make every effort to minimise construction impacts during these works.

Temporary changes to traffic conditions

Traffic control will be in place on Brisbane Road.

Traffic flow will be maintained. Temporary partial lane closures will be in place at times to allow for the safe movements of construction vehicles and the crane.

Reduced speed limits will be in place.

Please allow an extra 5-10 minutes of travel during this period.

Contact the project team

For further information, you can contact the project team on 1800 531 597 (during office hours, Monday to Friday 8.30am – 5pm) or email mtcu@sunshinecoast.qld.gov.au
