17 March 2025

Memorial Drive Streetscape Upgrade, Eumundi

March and April 2025 - Construction update

Stage One construction - August 2024 to April 2025*

Stage Two construction - April 2025 to August 2025*

Day works - Monday to Friday 6am to 6pm. Weekends and nightworks as required.

**All works are subject to weather, site conditions and construction material/equipment availability.*

Construction overview

April will see the completion of Stage One of the streetscape improvements (weather and site conditions permitting).

Stage Two will also commence in April at Dick Caplick Park, with much needed footpath improvements and landscaping along Memorial Drive. Stage Two will take place from April to August 2025.

During the Stage Two footpath works, businesses will remain **accessible** for customers and staff during normal trading hours. The onsite construction team will liaise directly with each business ahead of time to allow appropriate forward planning and communication to customers and suppliers.

Consideration has been given to the upcoming Easter, ANZAC Day and Labour Day public holidays, along with school holiday period.

We thank our community, including local businesses, for your ongoing cooperation as the new streetscape comes to life.

You can view the full streetscape design on the project [webpage](#).

Construction schedule

March/early April - Stage One - Memorial Drive (at Etheridge St and Dick Caplick Park)

Stage One construction will continue in the area adjacent to Dick Caplick Park. Works include new public seating and tables, wayfinding signage, upgraded footpaths, landscaping, a 'Bullock Circle' (heritage interpretation), bicycle racks, water fountain, bins and upgraded lighting.

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

April to August – Stage Two - Memorial Drive (various locations)

We will advise more information about Stage Two works in future updates however a brief overview is included below.

The onsite construction team will be visiting businesses over the coming weeks to discuss and coordinate these works in further detail.

- April to July footpath and driveway works
 - Dick Caplick Park
 - Imperial Hotel to Berkelouw Books area
- July to August footpath works
 - Eumundi Emporium to Eumundi Style area

Temporary changes to traffic and parking conditions

Two-way traffic will continue along Memorial Drive. Traffic control and detours will be in place as

required for safety reasons, with temporary signage to help direct motorists and pedestrians.

In some cases, temporary alternative driveways, pedestrian access points or loading zones will be provided where footpaths, driveway crossovers or loading zones are temporarily impacted by construction activities.

At times, some on-street parking areas will be temporarily unavailable due to safety requirements. Please observe all signs and the instructions of the construction team and continue to support our local businesses during construction.

Ceased – temporary free parking upper car park

Experience Eumundi and Council wish to advise that the free temporary parking at the upper car park area has ceased due to a lack of patronage. Council would like to thank Experience Eumundi for its cooperation with the free parking initiative.
