

Kids in Action

Eco Musicians Song Lyrics

2024 Kids in Program

All the birds playing by the pond
Butterflies floating like a fern frond

Eco Musicians its nice you're here
When in the forest its nice and clear

Eco Musicians we'll show you the way
We've all got a planet to save

Eco Musicians we'll show you the way
Eco Musicians it starts today

Listening in the country makes me happy and calm
Illawarra flame tree lights up my heart

Near the entrance where the trees are tall
Old man Banksia looks after us all

Eco Musicians we'll show you the way
We've all got a planet to save

Eco Musicians we'll show you the way
Eco Musicians it starts today

Eco Musicians we'll show you the way
We've all got a planet to save

Eco Musicians we'll show you the way
Eco Musicians it starts today

Acknowledgement:

The 'Eco Musicians' Song was created through the 2024 Kids in Action Program. Through a workshop led by Derek Foster (Eco Music / Foster Facilitations), participating students developed the lyric and then co-wrote and performed the song together. The song has been recorded and performed by Derek Foster (Eco Music / Foster Facilitations), with harmonies by Andrea Kirwin (Peace Run Records) and Nyssa Ray (Nyssa Ray Recordings). This song may be used for educational purposes and must acknowledge all involved.

How to Use and Acknowledge for Education Purposes:

You may use the song in educational settings, such as classrooms or school events.

Whenever the song is played, shared, or referenced, include the full acknowledgement statement above. If space is limited (e.g., on a slide or handout), at minimum, credit the 2024 Kids in Action Program, the participating students, and the co-writers and performer.

Please always –

- *Display the acknowledgement on materials (e.g., lyric sheets, presentations, lesson plans).*
- *Verbally acknowledge the contributors before or after playing the song.*
- *If publishing online or in print, include the full statement and mention that the song is used with permission for educational purposes.*
