

Brisbane Road Car Park Redevelopment project

Project number: B-2492

Notice to businesses, residents and motorists

Upcoming traffic changes at First Avenue and Smith Street, Mooloolaba

24 August – end September 2020 (weather permitting)

Construction has reached a new milestone on what will be the new eight-storey car park, with the concrete structure of all levels now built. The multi-deck car park is expected to be completed in time for the peak summer holiday season, weather permitting.

As part of the Brisbane Road Car Park Redevelopment project, service relocations and upgrades are required along First Avenue and Smith Street, weather permitting.

Traffic flow will be maintained throughout these works under the direction of traffic controllers with a minimum of a single lane always available and dual lanes available outside working hours.

Construction hours will be between 6.30am and 6pm, Monday – Saturday, weather and site conditions permitting.

To see the location of the works area, please refer to the map on page 2.

What to expect during these works?

The project team will attempt to minimise construction impacts to surrounding residents and businesses wherever possible and safe to do so.

These service relocations works will include relocation of the existing gas main, installation of new stormwater infrastructure and upgrades to telecommunications and electrical infrastructure.

Works are expected to generate low level noise only.

Vehicle and pedestrian access will be maintained along First Avenue and Smith Street, Mooloolaba.

Signage and traffic controllers will be present.

Power, telecommunications and gas outages are not anticipated during these works.

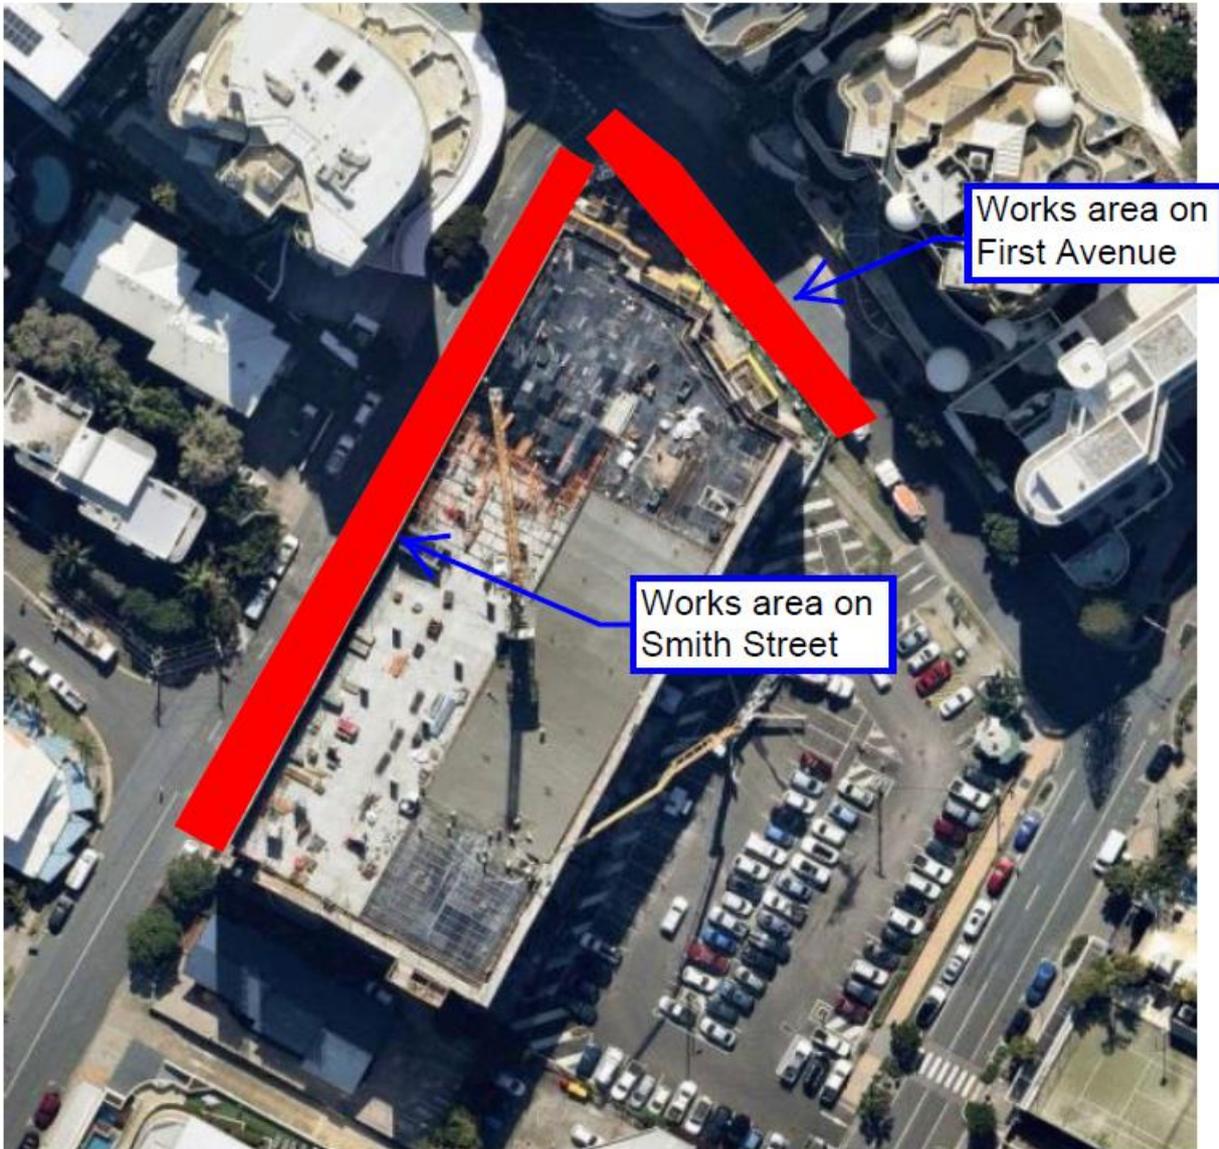

We thank you in advance for your patience and understanding.
