

Capital works highlights for Division 3

Division 3 suburbs

Aroona, Birtinya, Bokarina, Currimundi, Little Mountain, Meridan Plains, Warana, Wurtulla.

A note from your local councillor - Cr Tim Burns

I'm excited to share some of the key highlights from this year's budget for Division 3.

The budget focuses on projects that improve our day-to-day lives, long into the future.

I'm keen to see the first facilities open at the Honey Farm Sport and Recreation Precinct, helping people get out and about enjoying a healthy lifestyle. The first shared fields, changerooms and public amenities are scheduled to be ready for use in 2027.

We're also investing in safer pedestrian connections through new and renewed pathways and crossings, making it easier to get around in active ways.

Protecting what we love about our coastline is another focus, with beach access upgrades helping care for our dunes and managing erosion, while allowing us to visit our favourite spots more safely and easily.

Alongside these, you'll see practical local improvements like a new pump track in Birtinya, renewal works at the Kawana Aquatic Centre and stormwater upgrades around the Stadium to help reduce localised flooding.

I'm proud of what we've delivered and excited for what's ahead, growing with care and shaping a brighter future with you.

Cr Tim Burns
