Memorial Drive Streetscape Upgrade, Eumundi

October 2025 - Construction update

Stage Three construction – October 2025 to December 2025*

Day works - Monday to Friday 5am to 6pm.

Weekends and nightworks as required 2pm to 10pm

**All works are subject to weather, site conditions and construction material/equipment availability.*

Construction overview

With Stage 1 and 2 of the streetscape works now complete, Stage 3 works will begin next week.

The majority of works will be completed by mid-December with any remaining works scheduled after the Christmas-New Year break.

Stage 3 continues the transformation of Memorial Drive into a shady, inclusive and welcoming space for locals, businesses and visitors and includes:

- a new footpath, harbour structure and creative light artwork in the Lonergan Lane pedestrian and cycle link
- resealing the Lonergan Lane roadway between the link and Napier Road
- a ground mural, creative light artwork and wayfinding signage.

During construction access remains available to businesses. Where required for safety or construction machinery access, some minor temporary changes to traffic conditions and/or parking will be in place.

We thank local businesses for your ongoing cooperation during the streetscape upgrade, including forward communication to staff, customers and suppliers.

Construction activity

October 2025

- Removal of existing pavers, construction of footings for the harbour, electrical conduit installation and preparation for the new exposed concrete footpath.

November 2025

- Pouring of the new concrete footpath, erection of the harbour posts, asphalt (bitumen) resurfacing, street lighting.

December 2025

- Completion of the harbour including landscaping, decorative lighting, ground mural installation, wayfinding signage, art and heritage trail signage.

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

Temporary changes to traffic and parking conditions

Traffic along Memorial Drive will be largely unaffected by Stage 3 works.

During the footpath and arbour construction works, some temporary footpaths will be in place.

At times some on-street parking areas will be temporarily unavailable while construction machinery is operating.

The on-site team will continue to liaise directly with businesses to discuss any specific requirements.
