Construction overview

As part of the completion of Stages 2 and 3 of the Brisbane Road Upgrade asphalt (bitumen) and line marking works are continuing.

Temporary changes to traffic conditions

During these works traffic flow will generally be maintained along Brisbane Road.

Access for residents and businesses on Brisbane Road, Kyamba Court and Bindaree Crescent will be maintained.

For safety reasons stop/go traffic control may be required for brief periods of time.

Bus services and stops will operate as usual.

What to expect during these works?

The construction team will make every effort to minimise impacts to the community however nearby residents and businesses can expect some intermittent construction noise.

For residents sensitive to the smell of asphalt, please consider closing blinds and windows and using fans or air conditioning where possible.

Please allow an extra 5-10 minutes of travel time when travelling to destinations in/near the construction zone.

We thank you for your continued patience and understanding.
