Brisbane Road Upgrade

Stages 2 and 3

Mooloolaba Transport Corridor Upgrade

Night works – traffic signal and pole repair works

Monday 23 October, 6pm to 1am.

All works are subject to weather and construction material/equipment availability.

Tarcoola Avenue/Foote Street and Brisbane Road intersection, Mooloolaba

Temporary changes to traffic conditions as required

Traffic control in attendance

Construction overview

Repair works are required to the traffic signals at the Tarcoola Avenue/Foote Street and Brisbane Road intersection due to a vehicle colliding with the signal pole. At the same time a faulty signal in Tarcoola Avenue will be fixed.

These works will require cutting of the road surface, minor excavation works and replacing the damaged signal pole with a new one

Traffic control will be in place for safety reasons.

These works have been scheduled to take place at night to minimise inconvenience to our community.

Temporary changes to traffic conditions

Pedestrian and vehicle access along Tarcoola Avenue, Foote Street and Brisbane Road will be maintained during these works, with traffic control (Queensland Police Service) in place.

The traffic signals will be temporarily turned off during these works.

For safety reasons, one lane will be closed on Tarcoola Avenue while works take place.

Access will remain available all businesses and residences.

Bus services and stops will operate as usual.

What to expect during these works?

The construction team will make every effort to minimise impacts to the community.

Traffic control (Queensland Police Service) will be in place from 6.30pm.

The road surface will be cut prior to 9pm.

The damaged traffic signal pole will be replaced between 9pm and 1am. Large vehicles are required to move the pole.

Intermittent medium level noise is expected between 8pm and 9pm. Intermittent low level noise is expected between 9pm and 1am.

Please allow an extra 5-10 minutes of travel time.

We thank you for your continued patience and understanding.
