Electrical Conduit Relocation Works at Caloundra

Electrical infrastructure works

Tuesday 5 to Friday 15 May (Day works 6.30am to 5.30pm)

Oval Avenue, Third Avenue, Olm Street, Arthur Street, Second Avenue, Caloundra

Workers on site. Some temporary changes to traffic conditions

About these works

Council is continuing to relocate electrical infrastructure in Caloundra. Council's electrical contractor, CINC Whelen Electrical, will install new underground electrical conduits and pits this month at various locations along Oval Avenue, Third Avenue, Olm Street, Arthur Street and Second Avenue, Caloundra (weather and site conditions permitting).

This involves cutting areas of grass verge, footpaths, driveway crossovers and road surfaces and digging underground trenches and pits to accommodate the new infrastructure.

Access will remain to homes and businesses, sometimes under traffic control or via detours. Electricity and telecommunications services will be maintained to homes and businesses. Upon completion of these works all disturbed areas will be rectified.

Please refer to the maps on page 2 of this notice.

What to expect

Corner Olm St/ Second Ave grass verge closure

Tuesday 5 to Friday 8 May

Alternative pathways in place. Two-way traffic will remain with traffic control in place.

Corner Arthur St/Third Ave grass verge closure

Monday 11 & Friday 15 May

Alternative pathways in place. Two-way traffic will remain with traffic control in place.

All information contained in this communication is accurate at the time of distribution

however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

Oval Ave. Partial road closure

Wednesday 13 to Friday 15 May

One lane of a section of Oval Avenue will be closed to traffic. Two-way traffic will be retained under traffic control. Access for Oval Avenue residents will be permitted under traffic control. Detours in place as required.

Second Ave. Partial road closure

Wednesday 13 May to Thursday 14 May

One lane of a section of Second Avenue will be closed to traffic. Two-way traffic will be retained under traffic control. Access for Second Avenue residents will be permitted under traffic control. Detours in place for non-local traffic.

Third Avenue. Full road closure (section)

Tuesday 12 to Wednesday 13 May (reopening 13 May)

A section of Third Avenue will be closed to all traffic. Access for local businesses will be permitted under traffic control. Detours in place for non-local traffic.

Arthur Street. Partial road closure

Tuesday 12 May to Wednesday 13 May (reopening 13 May)

One lane of a section Arthur Street will be closed to all traffic. Two-way traffic will be retained under traffic control. Detours in place as required.
