¹ The Planning Scheme Policies do not form part of the Planning Scheme, and therefore cannot regulate the use of premises. Under Section 2.1.23 (4) of the *Integrated Planning Act 1997*, a planning scheme policy may only do one or more of the following:

- (a) state information the local government may request for a development application;
- (b) state the consultation the local government may carry out under Section 3.2.5 of the *Integrated Planning Act (1997)*;
- (c) state actions a local government may take to support the process for making or amending its planning scheme; and
- (d) contain standards identified in a code.
