Part 4 Priority infrastructure plan

4.1 Preliminary

4.1.1 Relationship to the Sustainable Planning Act 2009 (repealed)

This priority infrastructure plan has been prepared in accordance with the ~~Act~~ Sustainable Planning Act 2009 (repealed).

4.1.2 Purpose

The purpose of this priority infrastructure plan is as follows:-

- (a) to integrate and coordinate land use planning and *infrastructure* planning; and
- (b) to ensure that trunk infrastructure is planned and provided in an efficient and orderly manner.

4.1.3 Structure of the priority infrastructure plan

This priority infrastructure plan is structured as follows:-

- (a) **section 4.2 (Planning assumptions)**, states the projections of future urban growth and the assumptions of demand for each trunk infrastructure network, which have informed the preparation of this priority infrastructure plan;
- (b) **section 4.3 (Priority infrastructure area)**, states the priority infrastructure area which is the prioritised area to accommodate future urban growth;
- (c) **section 4.4 (Desired standard of service)**, states the desired standard of performance for each trunk infrastructure network;
- (d) **section 4.5 (Plans for trunk infrastructure)**, states the existing and planned trunk infrastructure for the following trunk infrastructure networks:-
 - (i) stormwater quality trunk network;
 - (ii) transport trunk network (roads network);
 - (iii) transport trunk network (*active transport*); and
 - (iv) public parks and land for community facilities trunk network;
- (e) **section 4.6 (Schedule of maps, works and plans for trunk infrastructure)**, includes the following:-
 - (i) list of the priority infrastructure area maps; and
 - (ii) the schedule of works for trunk infrastructure for each trunk infrastructure network; and
- (f) **section 4.7 (Extrinsic material)**, states the extrinsic material which assists in the interpretation of this priority infrastructure plan under the *Statutory Instruments Act 1992*.

4.1.4 Definitions

Terms used in this priority infrastructure plan are defined in **Schedule 1 (Definitions)** of the planning scheme.
