

Project number: P-H5637

## Caloundra Headland Coastal Pathway - Boardwalk

March 2024 Update

Construction activity and temporary road closure to vehicles (day and night)

Construction until June 2024 (weather and site conditions permitting)

Temporary road closure extended until late May 2024

The Esplanade - section between Albert Street and Margaret Street

Detours in place. Pedestrian and traffic control in place. Construction crew and machinery on site and roadway.

### Construction overview

Construction is continuing on the new 160 metre long section of Caloundra Headland Coastal Pathway Boardwalk and is expected to be complete in June 2024 (weather and site conditions permitting).

This section forms part of a total 73 kilometre long coastal pathway route from Bells Creek in the south to Coolool in the north.

For safety reasons during construction temporary changes to traffic conditions are required. This also allows the construction team to work more efficiently and reduce the construction duration, thereby minimising inconvenience to residents and visitors.

### Construction activity

March activity will see continued:

- construction of the boardwalk and decking
- construction of the concrete pathway
- electrical works
- landscaping

Intermittent, medium level noise can be expected during the day. Large machinery will be in place onsite and working from the roadway.

### Temporary changes to traffic conditions – part Esplanade road closure extended until late May 2024

**Until late May 2024 (inclusive) day and night. Section of the Esplanade between Albert and Margaret Streets**

We thank our community for your continued cooperation and understanding with the temporary road closure.

The closure to all vehicles in this section of the Esplanade has allowed construction to be undertaken more efficiently, particularly with the high levels of rainfall experienced during the past few months.

To ensure ongoing construction progress, the closure will now be extended to late May, during the day and night. Detours will remain in place via Burgess, Margaret and Albert Streets with signage erected to help redirect motorists.

Pedestrians and cyclists will be detoured around the site via alternative pathways where required.

#### Boat ramp access

Access to the boat ramp will remain available for most of the construction period.

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

In the case of any temporary changes to boat ramp access, signage will be in place with mariners redirected to alternative ramp locations.

### To find out more about the project

You can find further information about the overall Coastal Pathway Project including the extensive previous community engagement on Council's website at [www.sunshinecoast.qld.gov.au](http://www.sunshinecoast.qld.gov.au)

You can find further information about this section of the Caloundra Headland Coastal Pathway, including all construction updates and details of each construction stage, by scanning the QR Code below.

The QR Code links directly to the project's webpage.
