

## To the Resident

# Streetscape Project – Memorial Drive, Eumundi

### Project summary

Following extensive community engagement between 2020 and 2023, construction will soon begin on the Eumundi Placemaking Memorial Drive Streetscape Project.

A new and improved streetscape will transform Memorial Drive (between Etheridge and Gridley Streets) and some works in Lonergan Lane into a more attractive, shady and inclusive place for businesses, residents and visitors to enjoy all year round.

### Construction information night

We would like to invite you to a construction information night on Wednesday 12 June 2024 at the Green Room, Imperial Hotel, Eumundi

The project team will share information about how the streetscape will be constructed, including how Eumundi will remain accessible and open for business.

You're encouraged to arrive from 5pm with the session starting promptly at 5.30pm and finishing at 7pm.

Light refreshments will be provided.

Please scan the QR Code to register your interest in attending. RSVPs are required.

### A note from your local councillor

Thank you to everyone who has been on this journey with Council throughout the extensive community engagement and design phase of the project. Your feedback has helped shape the future of Eumundi's main street.

I'm pleased to see the project now begin construction in my next term as local Councillor. I look forward to seeing how these streetscape improvements will further enhance our township.

Cr David Law

## Subscribe for updates

Due to Council's commitment to sustainability, all future project updates will be available on the project website and sent via email only to people who register to receive them.

If you, or someone you know would like to be kept informed about the project, please [subscribe](#) for email updates by scanning the QR Code below.
