

Project number: H3747

Brisbane Road Upgrade

Stages 2 and 3

Mooloolaba Transport Corridor Upgrade

REVISED Information about temporary changes to traffic conditions including road closures and detours

Various dates, at different locations between 27 April to late July 2022

Brisbane Road, Hancock Street, Kapala Street, Tarcoola Avenue, First Avenue, Walan Street, Mooloolaba

Traffic control in attendance during construction activity

Construction overview

In response to community feedback over the past few days the project team has made some improvements to the current temporary changed traffic conditions as part of the Brisbane Road upgrade road works.

These improvements include installing more signage, relocating some signage and installing road barriers to help motorists and pedestrians better navigate the current conditions.

All temporary changes to traffic conditions are subject to a traffic management plan known as a Traffic Guidance Scheme (TGS). Each TGS is an official document which must comply with road rules and safety.

The current changes are required to safely undertake major road works associated with the widening of Brisbane Road including the construction of two new traffic lanes on the eastern side of Brisbane Road, kerb and channel construction, mains water and stormwater upgrades (including a large stormwater pit at the Walan Street Brisbane Road intersection), a new signalised intersection at Tarcoola Avenue and Brisbane Road, new footpaths and electrical works.

These works will take place in various locations along Brisbane Road and surrounding streets until late November 2022 (subject to weather and site

conditions). We will advise details of the temporary changes for the July to November period as these works get closer.

Vehicle and pedestrian access remains available to all residences and businesses.

Temporary changes to traffic conditions

Please see further information and maps on **pages 2 and 3** for the current temporary detours and road closures. Please follow all directional signs for your safety.

Electronic signs are in place for access to The Wharf, Mooloolaba CBD, Mooloolaba Esplanade, ParknGo Mooloolaba Central Car Park, Club Mooloolaba Bowls Club and the Mooloolaba Junction Convenience Centre.

All businesses in the construction areas on Brisbane Road, Hancock Street, Kapala Street, Tarcoola Avenue, First Avenue and Walan Street remain OPEN during these works.

Bus services are operating with alternative routes in place as required. Signage has been erected to help redirect passengers.

Traffic control will assist motorists and pedestrians when construction is in progress as required.

All information contained in this communication is accurate at the time of distribution however works and dates are subject to change due to circumstances outside of Sunshine Coast Council's control.

Detours and road closures:

- **Wednesday 27 April to Thursday 28 July 2022:**
Brisbane Road/First Avenue/Hancock Street partial temporary road closure
- **Wednesday 27 April to Monday 23 May 2022:**
Kapala Street temporary road closure
- **Monday 23 May to Monday 18 July 2022:**
Tarcoola Avenue temporary road closure
- **July to November 2022:** To be advised in late June.

What to expect during these works?

These works are major road works with large machinery operating. Intermittent medium-high level noise is to be expected.

Dust mitigation measures, including dust monitors are in place.

Alternative footpaths are in place.

Detour signage is in place to communicate traffic changes to motorists.

'Shops open' signage is in place.

Please allow an extra five-ten minutes of travel time during this period.

Register for project updates and/or contact the project team
