		Further Information - Sole Suppliers	
Reference	**Legal Entity Name**	**Commodity/Service**	**Reason for Inclusion on the Sole Supplier Listing**
1	Bang the Table Pty Ltd	Engagement HQ database - Specific online engagement software	Engagement HQ is a corporate software application for Council, and Bang the Table Pty Ltd is the only provider of this software. Bang the Table offer a unique set of online engagement capabilities for surveys, forums, polls, guest books, and question and answer tools. These capabilities are required to facilitate online engagement as part of Council's community engagement suite of tools.
2	Suncoast Cabs Ltd	The provision of transport services as a contractor for the Council Cabs program. Including direct booking, driver and vehicle rostering, passenger support, monthly reporting, and complaints management.	When the Council Cabs program commenced, the service was advertised for tender, Suncoast Cabs was the only tenderer. This company is the only provider which can deliver a single program across the Sunshine Coast. It is important that this program is delivered by a single provider as it removes confusion from passengers who are often frail and need support. Suncoast Cabs is the Queensland Transport licenced cab provider for the Sunshine Coast, other than the hinterland region. Council Cabs operate in the hinterland region through a formal arrangement between the cab companies.
3	Our Community Pty Ltd	SmartyGrants Manager subscription for Grants software and support	SmartyGrants is a corporate software application for Council, and Our Community Pty Ltd is the only provider of this software. SmartyGrants is the software used by Council to manage the Community Grants programs. The original engagement was done as per the procurement policy. Council now has an ongoing relationship with SmartyGrants to provide the services.
4	Reino International Pty Ltd	Parts, service, and labour to support parking meter operations.	Duncan Solutions provide Council's parking meters, along with parts, service, and labour to ensure their ongoing operation. They are the only suppliers of the type of parking meters Council utilises.
5	Mosquito and Arbovirus Research Committee Inc	Research and assistance to Council's delivery of professional vector control programs.	MARC Inc is the only supplier of this particular suite of research and assistance in South East Queensland.
6	Spectris Australia Pty Ltd	Supplier and maintenance of Council's noise measurement meters	Spectris Australia Pty Ltd is the only supplier of the current noise measurement meters for Healthy Places.
7	The Trustee for the Bath Family Trust & the Trustee for Kay Hargreaves Family Trust	Colleague Print Solutions are the only supplier of blank infringement tickets, associated enforcement stationery.	Colleague Print Solutions is the only supplier able to provide the size and paper type for use in Council's Autocite machines. Due to the legislative and regulative requirements for infringements, there are restrictions on who can provide blank and pre-printed stationery.

		Further Information - Sole Suppliers	
Reference	**Legal Entity Name**	**Commodity/Service**	**Reason for Inclusion on the Sole Supplier Listing**
8	Bridgeall Libraries Limited	Collection HQ software for data analysis, annual fee.	Collection HQ is a unique software, that Libraries utilise to analyse data. It analyses the libraries' collection's usage on genre, collection, etc. and generates lists about the collection, including suggestions where to transfer stock for maximum usage.
9	Cotton Tree News	Daily newspapers and some magazines which are not permitted to be supplied by a Serials Agent, for Maroochydore Library.	Distribution regions for newspapers are controlled by the newsagents governing body. Particular newsagents are nominated for specific areas. Cotton Tree News is the newsagent from whom Maroochydore Library is able to purchase.
10	Tutoring Australasia Pty Ltd	Personalised online tutoring services provided to Sunshine Coast Libraries' clients	This tutoring service is online individualised assistance provided in real time to students who are encountering difficulty with a particular concept, assignment, or question. It is not offered in this format by anyone else in Australia.

The service is particularly well used by Sunshine Coast Libraries' clients. |
