

**Mooloolaba Transport Corridor
Upgrade Project**
Stage 1B – Walan Street, Mooloolaba

Project number: H9272

Traffic returned to normal conditions by 7pm today, Tuesday 2 March
Walan Street and Venning Street, Mooloolaba
(all works weather and site conditions permitting)**Unitywater works completed and Walan Street reopened by 7pm this evening**

Further to our construction notification of yesterday's date (Monday 1 March 2021) Unitywater has been undertaking water main connection works at the Walan Street and Venning Street intersection over the past 48 hours.

These works form part of the final Stage 1B Walan Street upgrade.

We are pleased to report that Unitywater and Council's contractor have been able to fast-track these works today with the result being Walan Street and Venning Street will be returned to normal traffic conditions (2 northbound lanes, 1 southbound lane) by 7pm this evening Tuesday 2 March 2021.

We thank you for your patience to date during these works and will continue to keep you updated about Stage 1B construction progress and further Unitywater works as required.
