

Sunshine Coast Council

NOTICE OF MOTION

SUBMITTED BY COUNCILLOR: Councillor Stephen Robinson

COUNCIL MEETING: Ordinary 28 March 2013

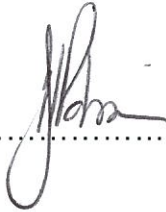

I hereby notify of my intention to move the following motion at the Ordinary Meeting to take place on Thursday, 28 March 2013:

That Council request the Chief Executive Officer:

- (a)** To initiate investigations and report back to Council regarding the cost and feasibility of a damage mitigation permit for the purpose of the flying fox colony located at Cassia Wildlife Corridor
 - (i)** undertaking vegetation management to increase a buffer between residents and the flying fox roost site; and as an alternative
 - (ii)** undertaking a flying fox dispersal and vegetation management program to force the relocation of the flying fox colony to another site

- (b)** To initiate investigations and report back to Council regarding the cost and feasibility of a damage mitigation permit for the purpose of the flying fox colony principally located on Stella Maris School lands adjacent to Tepequar Drive.
 - (i)** undertaking a flying fox dispersal and vegetation management program to force the relocation of the flying fox colony to another site; and in doing so
 - (ii)** ensure that the Stella Maris School, on behalf of the owners being the Corporation of the Trustees of the Roman Catholic Archdiocese of Brisbane, are completely aware of the extent and implications associated with vegetation removal on their land that would be required to undertake a flying fox dispersal program
