I hereby notify of my intention to move the following motion at the Ordinary Meeting to take place on Thursday, 28 March 2013:

- the potential to establish a hard to locate sports precinct off Steve Irwin Way / Bruce Highway on the Sunshine Coast;
- Council's current policy position in regard to hard to locate sports in particular (motor sports); and

Councillor comment:

An opportunity exists to develop a hard to locate sports precinct (including motor sports) in the vicinity of Steve Irwin Way/Bruce Highway on land controlled by the State Government. The hard to locate sports study received

and noted by Council in 2009 provides limited direction in regard to this proposal and the report seeks to update Council on any current proposals.

A motor sports precinct could be a significant economic contributor to the Sunshine Coast. The timing may be appropriate with the State Government's new policy direction in regard to increasing use and access to public land for recreational activities.
