Council Resolution (OM14/3)

That Council as Concurrence Agency advise the Noosa Shire Council that it requires that the Assessment Manager REFUSE that part of Application No. MCU12/0208 within the Sunshine Coast local government area which seeks a Preliminary Approval for Material Change of Use under Section 242 of the Sustainable Planning Act 2009 to vary the effect of Maroochy Plan 2000 for a mixed use community title development at Eenie Creek Road, 99 & 191 Hollett Road Noosaville and 106 & 108-142 Tidswell Road Weyba Downs. Further, Council's concurrence agency response to Noosa Shire Council includes the following reasons for refusal:

- 1. The development proposed has not demonstrated sufficient grounds in the public interest to justify or override the identified conflicts with the planning scheme.*
- 2. The development proposed is not located in an area planned to benefit from all relevant urban infrastructure and current planning assumptions. The proposal requires out of sequence infrastructure upgrades, which have not been considered for funding trunk infrastructure. Consequently, the proposal conflicts with the provisions of Maroochy Plan 2000.*
- 3. The development proposed conflicts with the South East Queensland Regional Plan and pre-empts the planning process for expansion of the urban footprint.*
- 4. The development proposed will result in an unacceptable risk to people and property with respect to bushfire hazard. Consequently, the proposal conflicts with the Maroochy Plan 2000.*
- 5. The development proposed would have unacceptable impacts on receiving waterways and wetlands. Consequently, the proposal conflicts with the Maroochy Plan 2000.*
