COUNCILLOR COMMENT

I put this motion forward on behalf of the Caloundra businesses and residents as this has been an issue in Caloundra for many years. I do not normally bring forward issues in other councilor's area but in this instance I was invited by the local Councillor to do so. It has been puzzling to me for many years that we have an amnesty each Christmas and New Year in Caloundra, this being peak holiday time. I often wonder why we let the visitor/tourist off paying for parking and for the rest of the year the locals have to pay for parking in the same area.

I do not see the need for paid parking in any areas of the Sunshine Coast that currently have parking available. The only area I see the necessity for paid parking is if we were to provide new parking facilities and we needed the income to service the cost.
