Dear Mr Loveday

We refer to recent discussions relating to the Burgess Street Rail Overpass at Glasshouse Mountains.

The Department of Transport and Main Roads (TMR) recently received an enquiry from Mr Andrew Powell MP, Member for Glasshouse in regards to the maintenance of the above mentioned structure that we now refer to council for action. Investigation of the bridge history has indicated that although the structure was originally a TMR owned asset on a state-controlled road, it was subsequently handed over to the local authority (Landsborough Shire Council) at which time it became a secondary road.

This is evidenced by the enclosed gazette notice referring to 4902 Glasshouse Mountains-Coonawrin Rd (now called Burgess St) and original drawings obtained for this rail structure.

Any further discussion concerning ownership or maintenance responsibility for the structure should be directed to Queensland Rail who should be able to assist in this instance.

Yours sincerely

for Amanda Yeates
Regional Director (North Coast)
