Brisbane Road Upgrade project Mooloolaba Transport Corridor Upgrade

Environment vandalism – trees lopped

23-25 Brisbane Road (Brisbane Road/Walan Street/Hancock Street intersection)

CCTV (Close Circuit Television) in place

Project update

Newly planted trees and plants adjacent to 23-25 Brisbane Road (Mooloolaba Medical Centre) at the Brisbane Road/Venning Street/Hancock Street intersection have been vandalised.

The trees have been lopped with branches left on the ground or removed. Other vegetation has also been damaged. It is a criminal offence to damage vegetation. Close Circuit Television (CCTV) is in place at this intersection.

Penalties

Council has since replaced the trees and vegetation. If convicted of illegal damage people can face significant fines of up to \$131,580 from Council and more if found guilty under the Queensland Environmental Protection Act.

Report suspicious activity

Council takes a very strong stance when it comes to environmental vandalism and has reported the matter to police to investigate.

The community is encouraged to provide any information and report any anti-social behaviour to Queensland Police so they can respond accordingly.

If you have any information or would like to report damages to Council-maintained property please contact our customer service team on the details below.
