

# Meridan Fields Att 1 – Proposed Energex Powerline Alignment

The proposed powerline project incorporates around 21.6 kilometres of 132kV powerlines linking Mooloolaba, Meridan Plains East, Palmview, Birtinya, Bells Creek North and the northern boundary of the Caloundra South Master Planning Area. It will comprise of a combination of new and existing 40 metre wide easements, with narrower easements located partly in road reserves.

**Note:** The below document, as supplied by Energex, does not:

- represent council's preferred outcome for the Meridan Fields Sports Grounds; or
- council's preferred alignment for the Energex powerline easement.
