

### **Amendment Instrument**

Proposed Sunshine Coast Planning
Scheme 2014 (Major Amendment) No. [to
be inserted] – Additional South East
Queensland Regional Plan 2017 (SEQRP)
Sites and Other Zoning Matters

**Post Notification Ministerial Review Version** 

November 2021

Made under the *Planning Act 2016*, section 20 (Amending planning schemes under Minister's rules)

This amendment has effect on and from [to be inserted]

#### 1. Short title

This amendment instrument may be cited as the proposed Sunshine Coast Planning Scheme 2014 (Major Amendment) No. [to be inserted].

### 2. Commencement

This amendment instrument has effect on and from [to be inserted].

#### 3. Purpose

The purpose of the proposed Sunshine Coast Planning Scheme 2014 (Major Amendment) No. [to be inserted] is to:-

- (a) make zoning changes and local plan area boundary changes relating to specific sites, in order to:
  - (i) respond to changes to the Urban Footprint under the South East Queensland Regional Plan 2017; and
  - (ii) better reflect existing development approvals or desired future land uses.
- (b) amend local plan provisions, where relevant, to provide more detailed planning outcomes in response to zoning and local plan area boundary changes; and
- (c) amend the growth management boundaries to reflect zoning and local plan area boundary changes.

#### 4. Amendment table

This amendment instrument amends the component of the *Sunshine Coast Planning Scheme 2014* in Table 1, Column 1, in respect of the planning scheme provisions stated in Table 1, Column 2, in the manner stated in Table 1, Column 3.

Table 1 Amendment table

Column 1	Column 2	Column 3
Planning scheme component	Planning scheme provision	Amendment
Part 7 (Local Plans)	Section 7.2.4 (Bli Bli local plan code), Section 7.2.4.2 (Context and setting), Section 7.2.4.3 (Purpose and overall outcomes) and Section 7.2.4.4 (Performance outcomes and acceptable outcomes)	Amend as shown in Appendix A
<del>Part 7 (Local Plans)</del>	Section 7.2.4 (Bli Bli local plan code), Figure 7.2.4A (Bli Bli local plan elements), including new Figure 7.2.4B (Bli Bli Northern Village Master Plan)	Amend and insert as shown in Appendix A and Appendix B
Part 7(Local Plans)	Section 7.2.11 (Forest Glen/Kunda Park/Tanawha local plan code), Figure 7.2.11A (Forest Glen / Kunda Park / Tanawha local plan elements)	Amend as shown in <b>Appendix B</b>
Part 7 (Local Plans)	Section 7.2.16 (Landsborough local plan code), Section 7.2.16.2 (Context and setting), Section 7.2.16.4 (Performance	Amend as shown in <b>Appendix A</b>

Column 1	Column 2	Column 3
Planning scheme component	Planning scheme provision	Amendment
	outcomes and acceptable outcomes)	
Part 7 (Local Plans)	Section 7.2.16 (Landsborough local plan code), Figure 7.2.16A (Landsborough local plan elements)	Amend as shown in <b>Appendix A</b> and <b>Appendix B</b>
<del>Part 7 (Local Plans)</del>	Section 7.2.27 (Yandina local plan code), Section 7.2.17.2 (Context and setting), Section 7.2.27.3 (Purpose and overall outcomes) and Section 7.2.27.4 (Performance outcomes and acceptable outcomes)	Amend as shown in Appendix A
Part 7 (Local Plans)	Section 7.2.27 (Yandina local plan code), Figure 7.2.27A (Yandina local plan elements)	Amend as shown in Appendix A and Appendix B
Schedule 2 (Mapping)	Zone-Map-ZM8 (Yandina local plan area)	Amend as shown in Appendix B
Schedule 2 (Mapping)	Zone Map ZM19 (Bli Bli local plan area)	Amend as shown in Appendix B
Schedule 2 (Mapping)	Zone Map ZM31 (Forest Glen / Kunda Park / Tanawha local plan area)	Amend as shown in <b>Appendix B</b>
Schedule 2 (Mapping)	Zone Map ZM42 (Landsborough local plan area)	Amend as shown in <b>Appendix B</b>
Schedule 2 (Mapping)	Local Plan Map LPM42 (Landsborough local plan precincts)	Amend as shown in <b>Appendix B</b>
Schedule 2 (Mapping)	Overlay Map OVM19H (Bli Bli Local plan area) - Height of Buildings and Structures Overlay Map	Amend as shown in Appendix B

As a consequence of the amendments in Table 1, this amendment instrument also makes consequential amendments to the component of the *Sunshine Coast Planning Scheme 2014* in Table 2, Column 1, in respect of the planning scheme provisions stated in Table 2, Column 2, in the manner stated in Table 2, Column 3.

Table 2 Consequential amendment table

Column 1	Column 2	Column 3
Planning scheme component	Planning scheme provision	Amendment
Part 1 (About the Planning Scheme)	Map SCC1 (Local government planning scheme area and context)	Amend the Local Plan Area to align with the proposed amendments to:  - Zone Map ZM8 (Yandina local plan area):

Column 1	Column 2	Column 3
Planning scheme component	Planning scheme provision	Amendment
		<ul> <li>Zone Map ZM19 (Bli Bli local plan area):</li> <li>Zone Map ZM31 (Forest Glen / Kunda Park / Tanawha local plan area); and</li> <li>Zone Map ZM42 (Landsborough local plan area).</li> </ul>
Part 3 (Strategic Framework), Schedule 2 (Mapping)	Strategic Framework Map SFM1 (Land Use Elements)  Strategic Framework Map SFM2 (Economic Development Elements)  Strategic Framework Map SFM3 (Transport Elements)  Strategic Framework Map SFM4 (Infrastructure Elements)  Strategic Framework Map SFM6 (Community Identity, Character and Social Inclusion Elements)	Amend the Urban Growth Management Boundary and Urban Area land use category to align with the proposed amendments to:  - Zone Map ZM8 (Yandina local plan area):  - Zone Map ZM19 (Bli Bli local plan area):  - Zone Map ZM31 (Forest Glen / Kunda Park / Tanawha local plan area); and  - Zone Map ZM42 (Landsborough local plan area).
Part 9 (Development codes), Section 9.4.8 (Transport and parking code)	Figure 9.4.8A (2031 Functional Transport Hierarchy) Figure 9.4.8B(i) (2031Strategic Network of Pedestrian and Cycle Links (Pathways)) Figure 9.4.8B(ii) (2031 Strategic Network of Pedestrian and Cycle Links (On Road Cycleways)) Figure 9.4.8C (2031 Strategic Network of Public Transport Links)	Amend the Urban Area land use category to align with the proposed amendments to:  - Zone Map ZM8 (Yandina local plan area);  - Zone Map ZM19 (Bli Bli local plan area);  - Zone Map ZM31 (Forest Glen / Kunda Park / Tanawha local plan area); and  - Zone Map ZM42 (Landsborough local plan area).
Schedule 2 (Mapping)	Map SCC2 (Index Map)	Amend the Local Plan Area to align with the proposed amendments to:  - Zone Map ZM8 (Yandina local plan area);  - Zone Map ZM19 (Bli Bli local plan area);  - Zone Map ZM31 (Forest Glen / Kunda Park / Tanawha local plan area); and  - Zone Map ZM42 (Landsborough local plan area).
Schedule 2 (Mapping)	<ul> <li>Zone Map ZM7</li> <li>Zone Map ZM20</li> <li>Zone Map ZM26</li> <li>Zone Map ZM40</li> </ul>	Amend to reflect changes to the Yandina Local Plan Area Boundary, Bli Bli Local Plan Area Boundary, Forest Glen/Kunda Park/Tanawha Local Plan Area Boundary and Landsborough Local Plan Area Boundary.

### 7.2.4 Bli Bli local plan code

### 7.2.4.1 Application

- (1) This code applies to assessable development:-
  - (a) within the Bli Bli local plan area as shown on Map ZM19 contained within **Schedule 2** (**Mapping**); and
  - (b) identified as requiring assessment against the Bli Bli local plan code by the tables of assessment in **Part 5 (Tables of assessment)**.
- (2) The following provisions of the code are assessment benchmarks for applicable assessable development:-
  - (a) section 7.2.4.3 (Purpose and overall outcomes);
  - (b) Table 7.2.4.4.1 (Performance outcomes and acceptable outcomes for assessable development); and
  - (c) Figure 7.2.4A (Bli Bli local plan elements).

### 7.2.4.2 Context and setting

This section is extrinsic material under section 15 of the *Statutory truin* at section 1992 and is intended to assist in the interpretation of the Bli Bli local plan code.

The Bli Bli local plan area is situated between the urban case of ambour, Maroochydore and Pacific Paradise in the central part of the Sunshine Coast. The Still local plan area includes the Bli Bli Village Centre and residential areas, the Maroochy River and Kirra and rural residential area and the Parklakes urban residential community. The local plan area has a side of approximately 740-800 hectares.

The Bli Bli local plan area is located within rural string with the significant environmental areas of the Maroochy River, Maroochy Wetlands Sanctus, Prince ek and Parklands State Forest key elements within this landscape setting.

The topography of the local plan are is y decranging from elevated and steeper slopes, providing views over the river valleys to the round side, views to the ocean, Mount Coolum and Mount Ninderry and to the north Buder and K. Va arpments and over the lowlands of the Maroochy River floodplain.

The Maroochy River run residentificarea located in the northern part of the local plan area is characterised by dwelling houses on large sloping rural lots interspersed with remnant vegetation and some rural activities.

The emerging-Parklakes community comprises predominantly dwelling houses on urban size lots with a neighbourhood shopping and community precinct located at the eastern end of the area along Parklakes Drive, with sport, recreational and environmental areas located in the north.

Parklakes II, aAn extension to the Parklakes community, comprises predominantly dwelling houses on smaller lots, as well as a retirement community, neighbourhood park, restaurant (café) and a private school, set amongst central lakes which form an open space feature for the development, framed with pathways and public open space. is planned to the north west of the existing community and is intended to provide additional community facilities including a school, environmental areas and open space.

The existing residential community of Bli Bli consists predominantly of dwelling houses on urban size lots with larger lot sizes occurring in sloping and steeper vegetated ridgeline areas.

Bli Bli Northern Village, located to the east of the Parklakes community, is planned as a further extension to the local plan area. The village is intended to become an integrated residential community, offering a range of housing options, in keeping with the prevailing character of the Bli Bli local plan area.

The Bli Bli Village Centre, located on David Low Way, provides <u>for full service</u> convenience shopping and a community focus for local residents <u>of Bli Bli and surrounding neighbourhoods in the catchment</u>. A smaller local business and community centre is to be established in Parklakes to service immediate residents.

The church and hall located near the intersection of Willis and School Roads also provides a community focus area for local residents. Bli Bli is also supported by a number of small scale tourist attractions which exist within or adjoining the local plan area, including Sunshine Castle and GoWake Cable Park.

The existing remnant vegetation along the ridgelines and gullies and the adjoining wetland areas and waterways, including declared fish habitat areas, have significant environmental and scenic values and contribute to the amenity and character of the local plan area.

The Nambour-Bli Bli Road, Yandina-Bli Bli Road, David Low Way and Willis Road are major road links within the local plan area. Urban zoned land within the local plan area is connected, or has the ability to be connected, to reticulated water and sewerage.

### 7.2.4.3 Purpose and overall outcomes

- (1) The purpose of the Bli Bli local plan code is to provide locally relevant planning provisions for the assessment of development within the Bli Bli local plan area.
- (2) The purpose of the Bli Bli local plan code will be achieved through the following overall outcomes:-
  - (a) The Bli Bli local plan area remains an attractive residential area comprising a number of urban and rural residential neighbourhoods and a village centre arrounded by a mosaic of farming land and natural areas.
  - (b) Urban and rural residential development in the Bli Bli locatolan are is limited to land within the urban and rural residential growth management boundaries restrictly so as to protect and reinforce Bli Bli's village character and identity, provide for the inficient provision of infrastructure and services, avoid constrained land and virous antally significant areas and protect the character and productivity of surrounding real and.
  - (c) Development in the local plan area is designed and cited to protect key landscape features contributing to the rural and natural setting an esharacter of the Bli Bli local plan area including existing *vegetation*, particularly along forced reaches and gullies, and significant views to surrounding countryside and across the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*, and to reflect the physical characteristics and constraints of the Marcochy River *floodplain*.
  - (d) The Bli Bli Village Centre, fronting the David Low Way, functions as a local (full service) activity centre providing a range of envenience goods and services to the Bli Bli community and surrounding rural and real residential areas. It is the primary and dominant centre in the Bli Bli local also area.
  - (e) Development in the cli Bli village Centre provides a range of small-scale business and community activities prich activate the street *frontage* and include residential development located anyethe ground *storey* level. Whilst the business functions of the Bli Bli Village Centre may repart and be enhanced, the centre remains compact, with any expansion limited to land and ded within the Local centre zone. Residents continue to rely upon Nambour or Maroochydore to fulfil their higher order business and industry needs.
  - (f) The Parklakes Local centre zone functions as a local (not full service) activity centre, providing a basic convenience level of business and community uses to service immediate residents. No new business centres are established within the Bli Bli local plan area.
  - (g)(f) Development in the Low density residential zone maintains the primarily low density residential character of the Bli Bli local plan area.
  - (h)(g) Development protects the Sunshine Castle as a significant landmark building and tourist attraction.
  - (i)(h) Land in the Emerging community zone is master planned and developed in a coordinated manner that sensitively responds to the flooding, drainage and environmental constraints over this area. Development in this area provides for a range of land uses including residential uses, community uses and open space.
  - (i) Development in the Emerging community zone (Bli Bli Northern Village) provides for a local (not full service) activity centre, to service the convenience needs of this residential community and immediately surrounding neighbourhoods. This new local activity centre provides for a

Page AA-2

- vibrant and activated community focal point connecting commercial spaces to the public realm, through active uses and spaces.
- (j) Development in the Emerging community zone (Bli Bli Northern Village) is integrated with the existing Bli Bli residential community, providing for the establishment of residential land uses that are sympathetic to, and compatible with, the prevailing low density character of the locality. Development provides for a range of lot sizes and housing options with some medium density residential uses in the vicinity of the local activity centre.
- (k) Development in the Emerging community zone (Bli Bli Northern Village) incorporates
  generous areas of public open space, with on-site flood storage and stormwater detention
  providing a key design and character element for the emerging residential community.

  Development provides for the Nambour to Coolum recreational trail and associated
  extensions, as well as other pedestrian connections to facilitate active transport through, and
  to and from, the Bli Bli Northern Village.
- (i)(I) Development in the local plan area is supported by a network of open space to meet the needs of the local community and facilitates safe and convenient pedestrian and cycle connections between and around key destinations within the local plan area.

### 7.2.4.4 Performance outcomes and acceptable outcomes

## Sunshine Coast Planning Scheme 2014

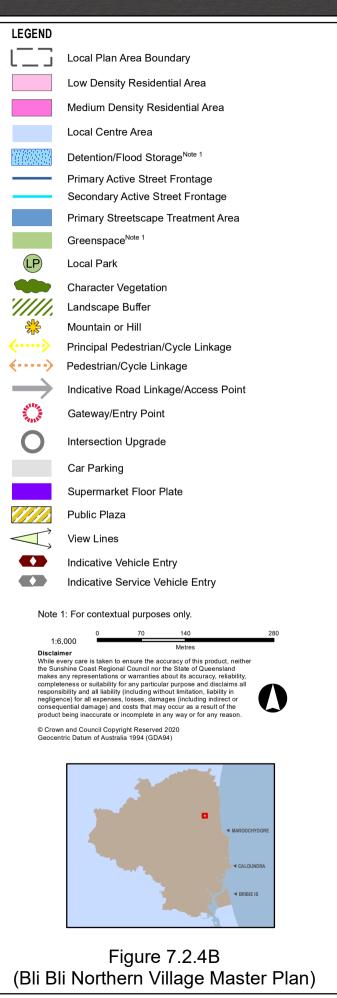

### Bli Bli Local Plan Area

# Sunshine Coast Planning Scheme 2014

### 7.2.16 Landsborough local plan code

### 7.2.16.1 Application

- (1) This code applies to assessable development:-
  - (a) within the Landsborough local plan area as shown on Map ZM42 contained within **Schedule 2** (Mapping); and
  - (b) identified as requiring assessment against the Landsborough local plan code by the tables of assessment in **Part 5 (Tables of assessment)**.
- (2) The following provisions of the code are assessment benchmarks for applicable assessable development:-
  - (a) section 7.2.16.3 (Purpose and overall outcomes);
  - (b) Table 7.2.16.4.1 (Performance outcomes and acceptable outcomes for assessable development); and
  - (c) Figure 7.2.16A (Landsborough local plan elements).

### 7.2.16.2 Context and setting

This section is extrinsic material under section 15 of the *Statutory Instruments Act 1992* and is intended to assist in the interpretation of the Landsborough local plan code.

The Landsborough local plan area is located on the North Coast Rail Line between the towns of Beerwah and Mooloolah in the southern hinterland of the Sunshine Coast. The local plan area includes Landsborough's town centre, the surrounding urban area and adjacent rural residential areas to the north, south and west. The local plan area has a land area of approximately 880-898 hectares.

Landsborough is a picturesque and historic hinterland town. Situated at the southern entrance to the Blackall Range, Landsborough is framed to the north and west by elevated terrain associated with the Blackall Range escarpment and Mount Mellum. Mellum Creek and adjoining tributaries traverse the local plan area with pockets of remnant vegetation located along the creek corridors. The town includes a number of heritage places as well as two character areas comprising groups of buildings indicative of early 20<sup>th</sup> century building styles.

Landsborough's town centre, which fulfils the local needs of the immediately surrounding urban, rural and rural residential community, is primarily located on the western side of the rail line around Cribb Street and Maleny Street. Cribb Street, which contains historic buildings and adjoins the railway station, is the traditional "main street" of Landsborough. Maleny Street provides a range of convenience retail and commercial uses.

The local plan area also includes an industrial area to the east of the rail line with access via Caloundra Street. There is also a substantial rendering plant operation (Sunland Meats) located immediately to the south of Mellum Creek.

Landsborough includes a range of community activities and sport and recreation areas including Landsborough State School, emergency services, local utilities, the Landsborough Museum, places of worship and district sports grounds. An Arts, Community and Heritage Precinct is planned for land south of the town centre and Maleny Street.

A mix of older dwelling houses, dual occupancies and small scale multiple dwellings are located in Mill Street, Cribb Street and Gympie Street which adjoins the business centre and railway station. Beyond the central area, the residential areas are characterised by dwelling houses on larger lots in traditional street layouts. The rural residential areas to the north, south and west include lot sizes of 5,000m² or greater. Some of these rural residential areas are constrained by flooding, steep land and/or significant vegetation.

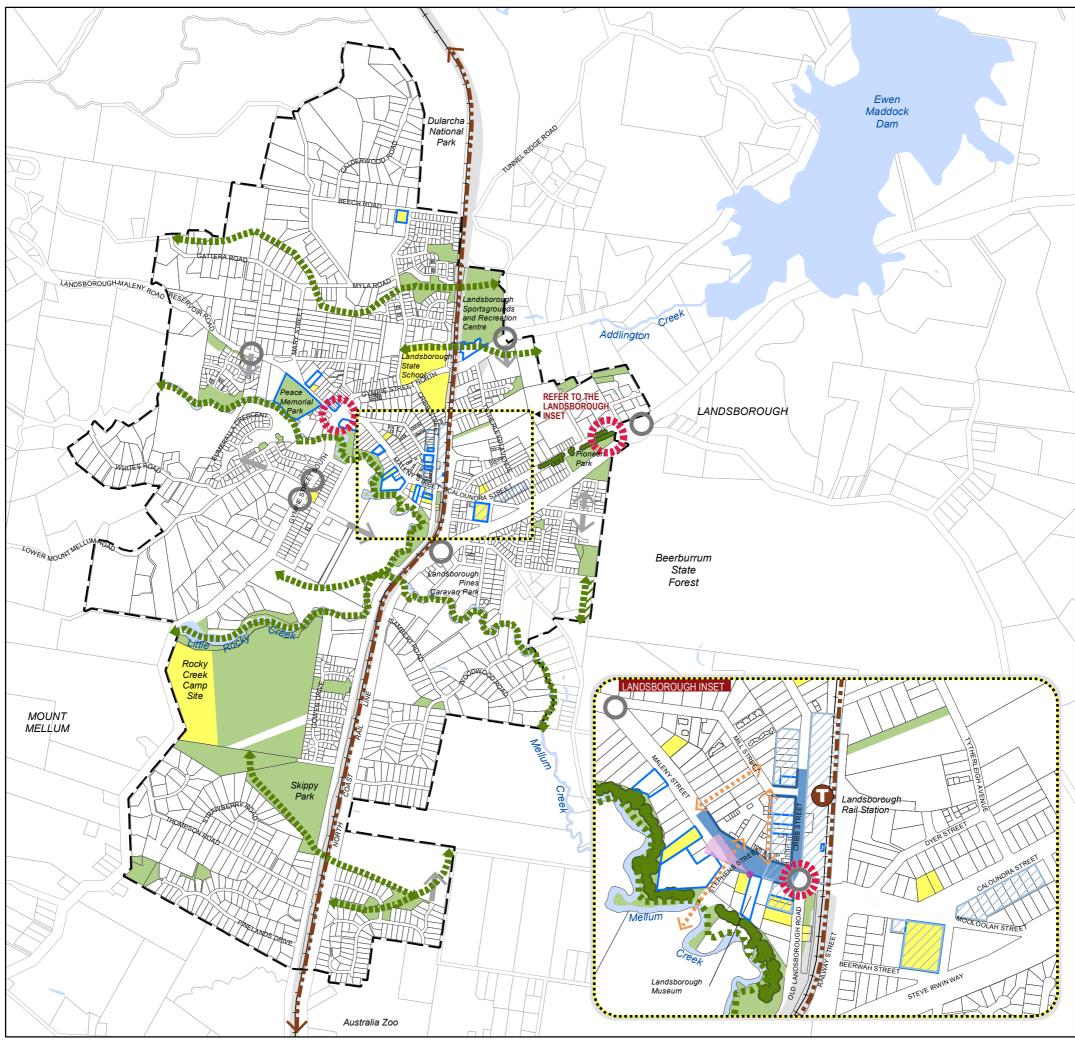

Landsborough functions as an important public transport node, with a bus link from the railway station to the coastal urban area and to Maleny. The major road access into Landsborough from the east is via Caloundra Street from Steve Irwin Way. Maleny Street links Caloundra Street to Landsborough-Maleny Road providing access to Maleny and the Blackall Range. Old Landsborough Road links Landsborough to Beerwah.

## Sunshine Coast Planning Scheme 2014 **Landsborough Local Plan Area**

### 7.2.27 Yandina local plan code

### 7.2.27.1 Application

- (1) This code applies to assessable development:-
  - (a) within the Yandina local plan area as shown on Map ZM8 contained within Schedule 2 (Mapping); and
  - (b) identified as requiring assessment against the Yandina local plan code by the tables of assessment in **Part 5 (Tables of assessment)**.
- (2) The following provisions of the code are assessment benchmarks for applicable assessable development:-
  - (a) section 7.2.27.3 (Purpose and overall outcomes);
  - (b) Table 7.2.27.4.1 (Performance outcomes and acceptable outcomes for assessable development); and
  - (c) Figure 7.2.27A (Yandina local plan elements).

### 7.2.27.2 Context and setting

This section is extrinsic material under section 15 of the *Statutory betruit* at section is extrinsic material under section 15 of the *Statutory betruit* at section 1992 and is intended to assist in the interpretation of the Yandina local plan code.

The Yandina local plan area is located in the central partitle inshing Coast and is traversed by the Bruce Highway and the North Coast Rail Line. The local parties are a second plan area as well as industrial estates in the north rn and southern parts of the town. The local plan area has a land area of approximately 396.415 necesses.

Yandina is located on undulating land and set within a picture sque rural and natural landscape with the prominent Mount Ninderry to the east, Parking's Finest Fiserve to the south and Wappa Dam and the Mapleton Forest Reserve in the west. The local dan area is traversed by the South Maroochy River in an east-west direction and bordered to the normalistic of the North Maroochy River. The local plan area is surrounded by large areas of productive frictional land.

The Yandina Town Cercle is focused at a traditional main street of Stevens Street, servicing the town and its surrounding that and rural sidential communities and providing a range of commercial, retail, industrial, community, port and red ational activities.

The local plan area containing a range of community, sport and recreation facilities including Yandina State School, and Yandina Sports in plex. The local plan area also contains the Yandina Caravan Park which provides both permanent residential accommodation and temporary visitor accommodation.

The Yandina local plan area contains three main industrial estates providing employment for the central hinterland areas. An industrial estate is located in the northern part of the local plan area on the western side of the Bruce Highway. It comprises a range of industrial uses including the Ginger Factory which is also a premier tourist attraction on the Sunshine Coast. The industrial estate located in the northern part of the local plan area on the eastern side of the Bruce Highway is largely undeveloped. The southern industrial estate is located on the eastern side of the Nambour North Connection Road and consists of a range of industrial uses. A smaller industrial area is located on the eastern side of Farrell Street in the northern part of the local plan area.

Yandina's character is derived from its picturesque landscape setting, rural heritage, traditional main street, grid pattern road layout, historical building designs and laid back 'country town' atmosphere. The existing character areas and historic buildings, especially fronting Stevens Street and Farrell Street, significantly contribute to the character and identity of the town.

The residential areas in Yandina are predominantly traditional low density neighbourhoods of detached housing characterised by a grid pattern street layout in the older, inner parts of the local plan area and culde-sacs in the newer outer parts. Medium density residential areas are located to the west of the town centre with further expansion opportunities available.

- (I) Development in the Low impact industry zone accommodates a broad range of small scale industry and service industry uses, while avoiding impacts on nearby residential areas and protecting the visual amenity of scenic routes through the local plan area.
- (m) Development in the Low density residential zone, including road and lot layouts and streetscape, reflects traditional rural town residential qualities such as low rise detached housing on large lots, open streetscape and mature street trees.
- (n) Development in the Medium density residential zone:-
  - (i) provides for a range of housing choices located with close and convenient access to the Yandina Town Centre, employment nodes, public transport and community facilities:
  - (ii) provides good pedestrian and cycle connectivity to the town centre; and
  - (iii) contributes to a high level of residential amenity and design quality consistent with the traditional rural character of Yandina, the scale and character of the streetscape and surrounding development.
- (o) Development in the Community facilities zone south of Brandons Road and north of Steggalls
  Road is compatible with the traditional rural town character, provides an appropriate transition
  to adjacent rural areas and is master planned to ensure that development occurs in a
  functionally efficient and integrated manner.
- (e)(p) Development in the local plan area provides road network in proments required to service development, improve local connectivity and permeability and ensure as a safe and efficient access to development sites.
- (p)(q) Development in the local plan area is supported of a nework or open space to meet the needs of the local community and facilitates safe and sony plient pedestrian and cycle connections between and around key described the local plan area.
- (q)(r) Development provides appropriate landscape offering to the Bruce Highway and the North Coast Rail Line in order to effective visually screen built form elements and maintain the visual amenity of these screen crouses.
